Accommodations

Total Cabins: 4

Hull and Deck Information

Hull Material: GRP

Engine Information

Engines: 2

Manufacturer: Yanmar

Model: 3YM30

Engine Type: Sail Drive

Fuel Type: Diesel

DETAILED INFORMATION

Boat Highlights

The Leopard 40 is a perfect entry level catamaran being roomy enough to provide comfortable accommodation for 6-8 and yet small enough to be very easily managed by one or two people.

Small Cat Fun is in excellent condition having enjoyed one careful owner since new. He has explored the region and maintained her beautifully with a full time captain looking after all service issues and ensuring that she is ready to sail at a moments notice.

This Leopard 40 is an owners version with master suite in starboard hull and two cabins with shared head to port. Galley is on bridgedeck making a very convivial space with saloon and cockpit. The list of included inventory is extensive and she could be sailing with a new owner without spending a cent extra. Just walk aboard with your toothbrushes! She sports a Northern Lights generator powering Cruiseair airconditioning systems and a full Raymarine electronics setup including Autopilot. Full safety equipment, liferaft and an almost new Cholmark RIB complete the package.

Owner is looking for a larger cat so this very well presented Leopard 40 is seriously for sale at a very attractive price.

Sail and winches

Manufacturer: Quantum Main size: 57 sq m – fully battened Headsail Size: 39 sq m
