SPECIFICATIONS

Overview

Awesome custom flats boat on a world renowned and proven hull. She is very stable with a wide beam and a sleek low profile similar to her predecessor. Boat is very fast and she eats up chop that would rattle the competitors teeth. One of the driest rides one can find in a flats boat. She has been professionally rigged with every option and is ready for the fishing season. Please see her full specifications to view all of the features of this custom flats boat that is available immediately.
