SPECIFICATIONS

Overview

This Cranchi 43' Mediterranee is a popular model with an excellent running hull. The was designed for the IPS drives produced by Volvo this 2007 has the IPS 600s which make the boat very efficient as well providing an exhilarating experience on the water.

From the oversized swim platform are two entry ways to the cockpit which is closed off by a transom door that also stows the hose reel right next to the hot and cold fresh water shower. The cockpit is designed for entertaining with large circular seating. A hydraulic high/low table coverts to a sunpad. Also in the cockpit are a grill, sink, icemaker, refrigerator and cockpit A/C. There is a sleek designed helm with triple helm seats and a hydraulic engine hatch that makes maintenance access very convenient.

The cabin is laid out with two nearly identically sized cabins and two heads. Either could be the master. Having the large aft cabin is a benefit of the space conserving Volvo IPS engines. The salon is to port with the galley being starboard. Flat screen TVs are located in each cabin and in the salon.
