Overview

TRADES CONSIDERED IF CENTER CONSOLE OR DAY BOAT

"Sea Poppy" has engine pods warranties through Dec 2018!!**

A 44' Maritimo Offshore Sedan Bridge "Sea Poppy" has quite the pedigree. With a coastline measuring almost 36,000 miles in length, it is no wonder that Australia is home to some of the world's finest running offshore motor yachts. Facing three different oceans it is the perfect test ground for the skills of any boat builder. Maritimo passes the test with flying colors! **Sea Poppy was featured in a great article in Boating Magazine (June 2011).**

This Maritimo 440 Offshore Cruising Motoryacht is without a doubt one of the best equipped, cleanest and most beautiful boats on the pre-owned market today. Her original owners flew to Australia to sea trial and special order "Sea Poppy" and their pride of ownership is apparent everywhere you look. An impressive list of both factory and stateside options includes a recently installed "Freedom Lift" for a tender or personal watercraft, high gloss teak interior, a second helm seat, flybridge dinette that converts to a bunk, underwater LED lights, and much more! Also a full complement of Raymarine electronics is installed in a stunning light Burl wooden dash and timber mullions add a touch of elegance to an already sumptuous interior.

In addition the Volvo D6 IPS 600 engines are extremely well suited to the offshore hull and provide impressive cruise and top speeds of 24-29 knots at considerable fuel efficiency of 33-37 gph respectively. All of the recent pictures of Sea Poppy are of the exact boat, not from a brochure, and she shows beautifully. Please call with any questions or to schedule an appointment to see this incredible yacht!

Recent Upgrades and Services:

- Added Bimini cockpit awning 2016
- Upgraded with new props spare props included
- Upgraded freshwater pump to 5.0 gpm (06/15)
- Added 1 1/2 gallon s/s accumulator tank (08/15)
