SPECIFICATIONS

Overview

Built for long range cruising, Voyager has proven herself on many cruises. As Palawan IV, her first owner took her above the arctic circle and across the Pacific. Her present owner has sailed her around the world, far up the Amazon, cruised the east coast and taken part in the Marion-Bermuda Race. Three staterooms plus crew quarters, and a large main salon with galley make her roomy and comfortable on long passages. Her ketch rig with furling mainmast to make sail handling easy with a small crew and her double centerboards make her easy to steer and give her shallow draft for exploring. Voyager just sailed to Bermuda and back. The owner planned the voyage as his last trip aboard. She is now ready to be turned over to a new owner at a very attractive price. Act now and don't miss this great opportunity!

Basic Information

Category: Cruising Sailboat
