DETAILED INFORMATION

Walkthrough

Boarding the TARRAB 91 is either via the wide swim platform from a floating dock or via the port and starboard hinged boarding gates on the Aft Deck or midship.

The Aft Deck is ample size with a wide bench seat aft, steps to the Boat Deck and a sliding hatch to reveal comfortable stairs to the Crew Area and Engine Room.

A sliding door opens to the large full beam Salon with leather sofas, port and starboard, a Dining Area forward and large side deck windows allowing for ample ambient lighting.

Just forward of the Salon is a private door and steps leading to the Master Suite.

The Galley is next forward, is of a very generous size and includes a raised Country Kitchen area with side deck access doors and a Day Head. Steps lead up to the Sky Lounge and down to the three Guest Cabins.

MasterThe Master is amidship with a king size berth, chests of drawers port and starboard, a full entertainment system, a vanity and a huge Head aft with a shower/a tub and twin vanities.

VIPAll the way forward is an island double berth, ample storage and a private Head.

GuestThe Twin Guest Cabins are next aft. The mirror image cabins have twin lower berths, storage and private Head with stall shower.

The Sky Lounge has a centerline helm, large side windows, leather seating and a popup TV for entertainment.

The Boat Deck aft has seating and a hot tub with space for a tender and davit.

CrewTwo cabins are aft of the Engine Room, one with a double, the other with twin bunks arranged in an L shape. The two Crew Cabins share a Head/shower.

Engine Room is next forward of the Crew, is well laid out, well lit and based on previously successful Tarrab designs.

Note: New carpet throughout (Jan 2020)

Salon

The Salon is entered via a stainless steel trimmed tinted glass door on centerline. Open all the way to the aft Galley bulkhead there is a very spacious feeling to this area augmented by the

fixed oversize windows.

Immediately to starboard is an off white oversize leather chair facing forward. A built in cherry end table is in the corner. Next forward is a three person matching leather sofa facing inboard. A glass topped cherry coffee table lies in front of this seating group. Next forward is a partial room divider with a fluted cherry column.

Immediately to port upon entering the Salon is an entertainment cabinet with a Sony Blue Ray AM/FM/CD/Blue Ray player and a Direct TV sat TV receiver plus four drawers for storage all behind twin cherry doors. Above is a 46" Samsung LCD TV. Next forward is a two cushion matching leather sofa followed by an identical partial room divider and fluted cherry column.

Also in the Salon is a tray ceiling treatment with rope accent lighting, five mini Sony speakers, a hidden subwoofer, Luxaflex cell type window shades and eleven LED light fixtures in the overhead. The sole is carpeted and the cool air is delivered through port and starboard full length valances.

Dining Area

Connected to the Salon but separate with partial room dividers is the Dining Salon with a round 60" burlwood table and eight upholstered chairs new Jan 2020. Five dedicated LED lights are above the table.

Aft to starboard is a two door curved storage cabinet. Forward are four cabinet doors with three shelves each. The cherry top forms a serving buffet. Above is a large cherry bulkhead with directional lights for your artwork.

To port area a series of five cabinets facing inward that have pullout storage shelves for dishes, precut pullout shelves for glasses, cups, etc. plus silverware drawers and in the center a Raritan Icerette icemaker.

Forward is a wet bar with a sink under a hinged top and precut bottle storage in the cabinet below.

Above is a place for your artwork with dedicated spotlights.

Next forward is a door to port and a private stair leading to the midship Master Cabin.

Next forward through another burlwood door is the huge Country Kitchen.

Galley

Through an oversize door is the Country Kitchen with the Galley area located aft to starboard. The Galley is square in shape and open to the informal Dining Area next forward and contains

the following equipment:

- Granite two level countertop
- Granite tiled sole with black insert border
- Oversize stainless steel Electrolux freezer
- Oversize stainless steel Electrolux refrigerator
- GE Profile stainless steel trash compactor
- Johnson stainless steel under mount sink
- Delta removable spray faucet
- GE Garbage disposal
- GE Profile stainless steel dishwasher
- GE Profile stainless steel built in convection/microwave oven
- Weema water tank gauge
- GE Profile stainless steel built in full size oven
- GE Profile stainless steel four burner Ceran top cook top
- (3) Duplex GFCI outlets
- Rope lighting in the raised countertop reveal
- (14) High gloss cherry cabinets
- (6) High gloss cherry drawers
- (6) Overhead LED lights
- Overhead exhaust fan
- Large pantry under steps to Sky Lounge
- Additional storage cabinets facing inboard

Dining Area

The open and connected Dining Area is raised one step has a teak and holly sole and features the following equipment:

- (2) Freeman doggable aluminum heavy duty doors to the side decks
- Computer workstation area
- Four person leather dining settee facing aft
- Burlwood dining table with space for four or five additional chairs
- Raised bar top area suitable for three stools
- Storage cabinet to starboard
- Three panel forward windshield
- Side windows with shapes
- (11) LED overhead lights
- Central vacuum outlet
- Sharp 19" LCD TV
- Direct TV HD TV SAT receiver
- Jensen DVD player
- Electrical panel to port, fully enclosed for aesthetics

- Steps to the Sky Lounge
- Steps to the forward three Cabins

The Day Head is also in this area. It is located to port with a two door cherry vanity, an under mount sink in a marble countertop, a Head Hunter toilet, full mirror, large side windows with shades and a mirrored overhead with three LED lights and an exhaust fan.

Master Cabin

Down ten carpeted steps each with rope accent light in a very impressive high gloss cherry Companionway is the midship full beam Master Cabin. Entering from forward is a king size island berth, with rope lighting in the toe kick and an impressive cherry and upholstered headboard which terminates into port and starboard burlwood columns with four drawer nightstands below and a cherry keeper rod atop. Note: New carpet, bedspreads and shams January 2020.

A small soffit above the bed has four halogen mini spots accenting the upper upholstered section of the headboard.

To the portside of the berth is a built in three shelf bookcase followed by a chest of eight large burlwood drawers with a burlwood counter above.

Behind a translucent shade is a large fixed Tarrab oval hull window offering great ambient lighting. Above is the AC soffit with rope lighting behind the reveal.

Next forward is a vanity with two drawers, a place for a stool and a large beveled edge mirror with two accent lights above.

On the forward bulkhead is the entertainment center with a mounted 40" LCD Samsung TV and a Sony AM/FM/CD/Blue Ray player in a cabinet below. Also in this area is a Direct TV HD TV sat receiver, two drawers and two storage cabinets.

Next to starboard is a walk in cherry lined cedar hanging locker with an auto light and a digital safe within, all behind a burlwood door.

Next aft are eight burlwood storage drawers with a fiddled countertop above. Cell type shades cover the large oval fixed hull window and AC soffit with hidden rope lighting is above.

Next aft is access to the large Master Head.

Also in this cabin are five mini Sony speakers, a hidden subwoofer, eight LED overhead lights, a central vacuum outlet and carpeted sole.

Master Head

Extending full beam behind the Master Cabin is the Master Head. The large twin bow front vanity has great storage below with six burlwood cabinet doors and six burlwood drawers.

The sinks are white China under mount type below the marble countertop. The fixtures are gold with contrasting marble accents. Both the sole and forward bulkheads are matching marble with the sole having contrasting inset diamond accents.

The large Jacuzzi tub for two people is to port and includes gold and marble fixtures including a handheld shower. Contrasting marble pillars flank a large mirror facing inboard.

The shower is to starboard. It has a frosted glass bi fold door, a light and an exhaust fan.

Also in the Head is a four cedar shelf linen locker, ten LED overhead lights and Head Hunter toilet.

Forward Companionway

The Forward Companionway is just off the informal Country Kitchen to port/forward. There are nine carpet steps each with rope accent lighting and oversize stainless steel handrails for safety.

At the bottom of the stairs one can go forward into the VIP or aft and down one step to the twin lower berth Guest Cabins, one port, one starboard. A smoked mirror at the aft end of the Companionway and high gloss cherry bulkheads give this area a spacious feeling.

VIP Cabin

Forward is the VIP with an island double berth off the forward bulkhead. Two carpeted steps give easy access. There is one large drawer at the foot of the berth with additional storage under the mattress. Note: New carpet, bedspreads and shams January 2020.

Above the cherry headboard is a smoked mirror bulkhead with three accent lights flanked by small burlwood columns. To both port and starboard there are raised nightstands with storage cutouts for needed items. Continuing aft to both port and starboard are countertops with three drawers each. Above are five burlwood storage cabinets to starboard and four to port followed by the Sharp 26" LCD TV and a Jensen DVD player.

Aft to port is a walk in cedar lined cedar lined hanging locker with auto light and a Direct TV HD TV SAT receiver.

To starboard is the burlwood access door to the private Head.

Also in this cabin are seven overhead LED lights, digital A/C controls and a carpeted sole.

VIP Head

The VIP Head has a marble tile sole, a Head Hunter toilet, a cherry vanity with two drawers and two cabinets below an under mount sink on a marble countertop and backsplash.

The fixtures are two tone. A large two shelf mirrored medicine cabinet is above the sink.

The stall shower has a bi fold frosted door, a light, an exhaust fan and a seat. The fixture is handheld or wall mountable. Also in the Head is a mirrored overhead, four LED lights and a soffit type AC delivery.

Port Guest Cabin

The Port Guest Cabin, entered from forward, has two twin lower berths with a large drawer below each and rope accent lighting in the toe kick.

Between the berths is a nightstand with four burlwood drawers, a fiddled shelf above and an upholstered headboard with smoked mirror above that spans the width of the cabin.

Above the inboard berth are four burlwood storage lockers.

Above the outboard berth is a shelf followed by two stainless steel opening portholes covered by pleated shades.

At the forward end of the Cabin is a Sharp 19" LCD TV, a Jensen DVD player and digital AC controls. Next forward is an auto lit cedar lined hanging locker with a Direct TV HD TV SAT receiver within.

The Cabin's private Head is next forward.

Portside Guest Head

The Portside Guest Head has a marble sole to match the marble vanity top. The cherry vanity has one cabinet and three doors below and an under mount china sink with two tone fixtures above. A full mirror is above with the center section opening as a medicine cabinet. The shower has a bi fold frosted door, a wall mounted fixture and a light with an exhaust fan. The toilet is a Head Hunter model. Also in the Head is a mirrored overhead for LED overhead lights, a linen locker and a forward mirrored bulkhead.

Starboard Guest Cabin

The Starboard Guest Cabin, entered from forward, has two twin lower berths with a large drawer below each and rope accent lighting in the toe kick.

Between the berths is a nightstand with four burlwood drawers, a fiddled shelf above and an upholstered headboard with smoked mirror above that spans the width of the cabin.

Above the inboard berth are four burlwood storage lockers.

Above the outboard berth is a shelf followed by two stainless steel opening portholes covered by pleated shades.

At the forward end of the Cabin is a Sharp 19" LCD TV, a Jensen DVD player and digital A/C controls. Next forward is an auto lit cedar lined hanging locker with a Direct TV HD TV SAT receiver within.

The Cabin's private Head is next forward.

Starboard Guest Head

The Starboard Guest Head has a marble sole to match the marble vanity top. The cherry vanity has one cabinet and three doors below and an under mount china sink with two tone fixtures above. A full mirror is above with the center section opening as a medicine cabinet. The shower has a bi fold frosted door, a wall mounted fixture and a light with an exhaust fan. The toilet is a Head Hunter model. Also in the Head is a mirrored overhead for LED overhead lights, a linen locker and a forward mirrored bulkhead.

Sky Lounge

Up nine teak and holly steps from the Country Kitchen is the Sky Lounge/Pilothouse Area. This area has excellent visibility due to all around windows.

One centerline is the Helm open to the Sky Lounge or Upper Salon aft.

Starting to port is a cabinet with two doors forward with two drawers within, followed by two doors that give access to the Sharp Aquos 32" LED TV that also raises on an elevator for shore side viewing, followed by an additional cabinet with a Sony AM/FM/CD/Blue Ray player and a Direct TV HD TV SAT receiver.

To starboard is a three person leather sofa, an oversize chair and a glass and cherry coffee table similar to those found in the Salon with a built in end table between. A glass and stainless door leads to the Boat Deck.

Huge port and starboard windows with pleated shades let in a great amount of natural daylight.

Also in the Sky Lounge are five Sony stereo speakers with a hidden subwoofer, 14 overhead LED lights, digital A/C controls, a central vacuum outlet and an area to use a laptop or plot paper charts to the starboard side of the helm.

Pilothouse Equipment:

- Cherry & burlwood helm
- Stainless steel two spoke wheel
- Overhead console w/19" Sharp TV as a monitor for CCTV cameras
- Tarrab graphic panel for bilges, sumps & electric service
- Tarrab graphic panel for nav lights, deck lights, emergency lights
- (2) Raymarine E 120's for plotter/GPS/radar/depth
- Raymarine 10 KW 6' open radar scanner for E 120's
- Raymarine DSM 300 1 KW depth sounder module for E 120's
- (2) CAT LED engine monitors
- Twin Disc electronic single lever clutch/throttle controls
- Simrad AP 24 autopilot
- (3) Wema fuel gauges
- Fireboy fire system shutdown override panel
- Maxwell anchor windlass controls
- (2) CAT start/stop panels
- Everfare CCTV camera switching box for (8) CCTV cameras
- Naiad Marine Multisea II stabilizer controls
- (2) Northern Lights generator start/stop panels w/gauges
- Exalto wiper control for (3) wipers
- ACR searchlight control
- Groco tank level monitor for waste tank
- Standard Horizon Matrix GX3000X VHF/hailer
- Marine Air digital AC controls
- Stidd helm chair
- Ritchie 5" Powerdamp magnetic compass
- Naiad Marine hydraulic thruster control
- Doghouse area forward of helm with A/C & black boxes for electronics
- Panasonic intercom/telephone system, (3) CO lines & (8) phone outlet

Boat Deck

- Fiberglass nonskid sole
- (2) Overhead lights LED
- (2) Overhead incandescent lights
- Large grill cabinet with sink & Jenn Air electric grill w/hinged top & (3) cabinet doors below
- Raritan stainless steel Icerette icemaker under grill
- (2) Built in curved fiberglass seats with removable cushions & deck level lighting below
- Raised round hot tub w/hard cover centerline
- Large access hatch to service hot tub equipment
- Stainless steel safety rails around Aft Deck steps
- Hinged tinted glass hatch to cover Aft Deck steps

- (2) LED Boat Deck lights facing swim platform
- 1500 Lb. Hydraulic Marquipt davit for owner supplied tender
- Oversize boat deck safety rails port & starboard
- Hot & cold water on Boat Deck
- Boat Deck camera facing aft
- (2) GFCI outlets
- Arch on coach roof w/6' open array Raymarine scanner, Trac Vision M5 SAT domes (one as dummy)
- Kahlenberg double trumpet air horn

Foredeck

- Fiberglass non-skid deckMaxwell 3500 windlass with all chain rode (100')
- Fortress FX 125 aluminum anchor
- Up & down windlass foot switches
- (2) Above deck storage lockers
- Large Bollard type deck cleats with twin roller fairleads
- Large chain locker with step down access
- Bow seat with adjustable height table
- U shaped seating for six to eight
- Stereo speakers
- Deck level courtesy lights
- Windshield cover for Country Kitchen
- Windshield cover for Pilothouse
- (2) Large built in dunnage boxes, (1) port, (1) starboard
- Oversize stainless steel bow rails
- Stainless steel pennant staff
- Port & starboard boarding gates with hinged rail break
- (2) Midship spring line cleats
- (2) Side deck cameras
- International Navigation lights
- (9) Port, (9) starboard accent lights over cabin side windows
- Handrail over cabin side window
- Port & starboard Freeman doggable side access doors
- Freshwater wash down

Aft Deck

- Teak over fiberglass deck
- Port & starboard boarding gates w/hinged rail break (doors open in)
- Built in fiberglass seat aft for five to six people w/removable cushions
- (5) Small LED overhead lights

- (5) Large LED overhead lights
- (6) Incandescent accent lights overhead
- Aft deck hailer horn
- (2) Remote CCTV cameras
- Sliding hatch to Crew/Engine Room area
- (6) Stainless steel/fiberglass steps to Boat Deck
- (2) Hinged safety gates to swim platform
- (4) Fiberglass steps w/step lights port & starboard to swim platform w/stainless steel safety rails
- 5 ½ Foot fiberglass swim platform
- (2) Swim platform cleats
- Bustle hatch for storage & 100 amp shore cord inlet
- Glendinning 100 amp shore cord reel
- SSI Shower w/mixer valve
- Stainless steel flag pole
- Bollard type cleats w/twin roller fairlead
- Aft Deck stainless steel railing
- Freshwater wash down

Crew Area

Entered via a sliding door on the Aft Deck and down eight rubber tread (Pirelli type) steps is the Crew Area.

Forward is the Engine Room entrance. A centerline hall has the main electrical panel to port and a small Galley area to starboard including a small cube refrigerator and under mount stainless steel sink with a granite countertop with cabinet storage below and shelf storage above.

All the way aft behind a cherry door is a Whirlpool Thin Twin stacked washer dryer.

Captain's Cabin

To port is the Captain's Cabin with an athwartships double berth with one storage drawer below. Above the berth are two cabinets, an opening stainless steel porthole with a shade outboard and inboard a Sharp 19" LCD TV/DVD combo. Aft is a half height hanging locker with three drawers below.

A private door accesses the shared crew head. Also in this cabin are three LED overhead lights, a Sony stereo, digital AC controls, a Pirelli type sole and the same high gloss joinery forward throughout the yacht.

Crew Cabin

To starboard is the Crew Cabin with two separate berths, one outboard facing fore and aft and a second athwartships at a higher level. There is one large drawer under the lower berth and a half height hanging locker below the upper berth.

There is also a smaller hanging locker and three drawers adjacent to the lower berth.

Also in this cabin are eight overhead LED lights, a Sharp 19" LCD TV/DVD player, Pirelli type flooring, a Sony stereo with two speakers and digital AC controls.

Crew Head

To port, aft of the Captain's Cabin, is the Crew Head with two entrances, the second from the Centerline Companionway. The cherry vanity has two storage cabinets below with an under mount sink and with two tone fixtures above.

A full mirror is above the counter. The toilet is a Head Hunter model. The stall shower has a fold frosted door, a handheld or wall mountable fixture and a light with an exhaust fan.

Also in this Head is a mirrored overhead and four overhead LED lights.

Engine Room

- (2) CAT C-32 Acert 1800 HP 75 hours
- Triple Racor 1000's for each engine
- DeAngelo exhaust system
- (2) CAT coolant recovery bottles
- Groco main engine intake strainers
- 70 Lb. FE 241 Fireboy fire control system
- Site gauge on forward fuel tank
- Fill Rite fuel transfer system with dedicated Racor 1000 fuel filter
- Engine Room CCTV camera
- Air Sep crankcase ventilation system
- Marine Air chilled water AC system with (3) 40,000 BTU chiller
- Marine Air DDC chilled water master control
- Sea Star hydraulic steering system w/starboard engine hydraulic pump
- (2) Opening stainless steel portholes in Engine Room
- All Trade air compressor for domestic compressed air
- Twin Disc transmissions
- Racor 1000 fuel filter for each generator
- Dripless shaft seals
- Bonding brushes for shafts
- Freshwater spigot in Engine Room
- (4) Overhead fluorescent lights

- (5) Automatic Rule bilge pumps, 3700 GPH
- (3) Sump tanks
- Naiad stabilizer system model 254 with 6 sq. ft. fins
- Naiad hydraulic bow thruster 35 HP, 12" tube
- Village Marine 1200 GPD water maker
- (2) Groco oil change systems for engine/transmission/generator
- Sinks, shower & A/C condensate plumbed to grey water tank
- 4" Aquatech stainless steel propeller shafts
- Twin Disc engine synchronizer (electronic)
- Aluminum diamond plate sole
- Fresh air supply from Boat Deck to Engine Room with (2) intake batteries
- (2) Head Hunter freshwater pumps with pressure tanks
- 220 Volt 40 gallon hot water system

Electrical Equipment

- 12/24 Volt DC electrical system
- 110/220 Volt AC electrical system
- Xantrex 110V AC to 12 DC inverter/charger for yacht's safety/accent lighting
- 24 Volt automatic battery charger
- (2) Northern Lights 30 KW 60 HZ 240/120 volt generator w/sound shields, 64 hours port, 60 hours starboard
- GFCI outlets in all wet areas
- Glendinning cable master 100 amp 220 volt AC w/50' cord at transom
- Electrical bonding system
- Shaft brushes to negate need for shaft zincs
- Electrical panels by Paneltronics Miami

Galley Area Panel

- 12 Volt electric panel with (21) breaker protected circuits
- 5 position voltmeter
- 5 position amp meter
- 24 Volt electrical panel with (10) breaker protected circuits
- Analog frequency meter, 110 voltmeter & amp meter
- 120 Volt electrical panel with (32) breaker protected circuits
- 240 Volt electrical panel with (8) breaker protected circuits
- (3) Perko battery switches
- (2) 12 Volt batteries for each engine for 24V starting
- 12 Volt battery for each generator for 12V starting
- 12 Volt house battery for ship's service
- Perko battery parallel system

- Victron Energy Multiplus compact 12 volt 80 amp charger/inverter
- Charles 40 amp 5000 Series 24 volt battery charger
- Battery isolator

Crew Area Panel

- Electrical panel with breakers for each 220 volt AC compressor
- Electrical panel with breakers for each 220 volt AC sea water pump
- Electrical panel with breakers for each 220 volt AC circulation pump
- Generator start/stop panels w/hour meters
- Marine Air chilled water master panel (digital)
- Victron Energy charger/inverter remote control panel
- Auto/manual switches w/breaker for (3) sump tanks
- Auto/manual switches w/breaker for (5) bilge pumps w/counter
- Reversing switches for port & starboard Engine Room blowers
- Analog frequency, volt & amp meters
- Transfer switches for shore/gen (1) gen 2 for A/C service
- Transfer switches for shore/gen (1) gen 2 for ship's service
- 120 Volt breaker panel with (16) breaker protected circuits
- 240 Volt breaker panel with (8) breaker protected circuits
- 12 Volt breaker panel with (8) breaker protected circuits

Remarks

Built of solid fiberglass by Tarrab Yachts of Buenos Aires, Argentina, a successful builder of yachts since 1967, this demo model is available for immediate sale/use.

Skip the new construction wait and go yachting almost immediately! This Sky Lounge model offers four ensuite cabins plus two crew cabins. She is stabilized, has twin Northern Lights generators and Raymarine electronics. The high gloss cherry joinery and space afforded by the generous 21'6" beam makes this yacht stand out amongst her sisterships.

January 2020 interior refresh, including all new carpet, dining chairs and bed spreads in the Master and VIP.

Exclusions

While every effort was made to list all pertinent included equipment aboard TARRAB 91, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.
