Model: 450 C Diamond

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Chesapeake Bay - Allen Boatbuilders - Markley Hull

The original owners built this custom Chesapeake 46' with Allen Boatbuilders and still own her today. The vessel has lives in a covered slip, full time, keeping her away from the elements and it shows. She is hauled twice per year for bottom inspection and bottom painted and prop-speed applied whenever needed.

She is extremely efficient with the Cummins 450 engine cruising at a comfortable 16 knots and burning only 12 gallons per hour.

This is the perfect vessel for someone who is looking to cruise and fish in a classic quality Downeast style boat that has been babied by the original owners her entire life.

Highlights include:

Cummins 450hp engine (500hrs)

Onan 5kw gen (120hrs)

Two helm stations: main helm deck station and cockpit station with electronics for both stations

NEW 2012 bow thruster

Upgraded flatscreen TV, 13" Sharp Aquos

Tracvision Satellite TV

NEW Electronics in 2011 (Furuno 12" Navnet GPS 3D, 6kw open array radar, sound system)

Custom spray rails

NEW 2012 upholstery upgraded to Naugahyde material

Spare prop

This is an extremely well cared for custom Downeast Chesapeake Bay. See full specs for more details.
