## Manufacturer Provided Description

---

Carver's 43 Motor Yacht is a brilliant solution for those who divide their leisure time between self-indulgence and gracious hospitality. With added dimensions in comfort, the 43 readdresses Carver's popular en suite cabin concept to offer enhanced privacy features while keeping common ground for entertaining. It starts by ensuring the right ratio between private space and areas for all-out activity. Two, quiet stateroom retreats remain separated by the entire length of the yacht, with a spacious shared living area stretched out between them. Throughout the intelligent floor plan you'll find Carver's signature talent for cleverly addressing stowage. There's abundant storage at every turn, all creatively positioned to maximize space and enhance onboard livability. Exterior design features also rate brilliantly. The 43's innovative window styling is both striking and practical, letting in desired light and offering great views. And the 43's decking versatility provides often-needed docking options.
