## Overview

---

Major Price Reduction March 2015! Simply put, the Reel Affair is a beautiful boat. Built for a single owner by Ricky Scarborough in 2001, she is the truest form of a Custom Carolina Classic. She has been meticulously maintained since day one and in 2011/12 underwent a makeover that included a complete exterior paint job, new hard top, frame and curtains, a 130 gallon FW tank and new teak coverboards. She offers low hours on a pair of 12 cylinder MANs, a gorgeous comfortable layout in the salon and down below, a 12 kw Onan generator, Eskimo ice maker, cooktop, 4 Sub-zero fridge and freezer drawers, TVs, stereo, microwave, a smart electronics package and layout, electronic controls, 130 lb. teak fighting chair and rocket launcher as well as 2 teak helm chairs, all by Release....The list just keeps going. All of this and lots more as well as the beautiful lines, a nice cruise and the soft ride that a Scarborough boat is known for. If you really understand what the Carolina look and history is all about, then you will want to take a close look at this one...Priced to sell, she is turn-key ready to roll. Check out our specs and photos to see what we mean.
