Model: D6 370

DETAILED INFORMATION

Boat Highlights

Below decks, the SC42's layout is conducive to live-aboard cruising with a dual head and cabin configuration. These spaces are nicely appointed with quality equipment and furnishings. However, above decks the SC42 also provides an enhanced cruising experience. The sliding cockpit roof opens electrically.

The cockpit takes advantage of the full beam width to provide ample space to seat eight and comes with a wet bar, sink, BBQ and fridge. When not dining, an electronic control quickly converts the very same seating into a sunbathing area or into different seating arrangements.

The functional helm station provides two wide helm seats and a fully integrated dashboard plus two further forward facing seats to the port side.

Stepping down below, a beautifully styled saloon offers the freedom to dine in comfort and easily converts into a double berth, while the galley has enough room to accommodate a full height fridge freezer and generous worktop space. Galley equipment includes a wine chiller, 3-ring electric hob, two full sized combination microwave oven and grill.

A luxurious full-width master cabin forward comes with double wardrobes plus a large separate shower compartment and head. Electric quiet flush toilet. (Waste Tank system S - Electric macerator & deck outlet).

Exclusions

Owner's personal belongings.
