DETAILED INFORMATION

Accommodations

Below decks are berths for four (utilizing the convertible dinette), a head with shower, full galley, and enough legitimate storage to make her seem a much larger boat. Good lighting and ventilation in the cabin with plenty of storage all around. This is complemented by a full 85 sq. ft. of cockpit space with multiple access hatches, and excellent engine access provided by large hatches in the elevated desk of the forward cockpit. The versatility of this boat is a great point. You can cruise, swim and entertain all in the same day. The cockpit and salon designs allow for comfortable seating inside as well. NEW ENGINES 1989

Refit

2004 Major update of engine compartment with new engine support rails and mounts. Large heavy-duty gutters installed around engine hatches with overboard drains. Raw water intake valves replaced w/Groco 3-way safety seacocks & bronze backing plates bedded & bolted to the bilge. Replaced steel tie rod connecting the rudders with a bronze tube. Reglassed the entire engine compartment and under cockpit deck area. Extensive rebuild of engines & transmissions. Twin Disc did transmissions at their shop. Added K & N air filters. Bottom was sandblasted and hard epoxy product, Copper Poxy, was applied with a top coat of an abalative anti-fouling.

2012/2013 Major Refit/Update. Engines surveyed at approximately 750 hours since rebuild & serviced with rebuilt turbo's including SS inserts on the hot side & new alloy SS Dump Elbows also rebuilt raw water pumps. New props adjusted to allow max engine RPM. Replaced engine controls & cables w/single lever units. Added cockpit cabinet with engine controls, autopilot, chart system w/depth readout, and sink with retractable hose/faucet long enough to reach the entire cockpit. New plastic water tank & pump. Rewired 95% of all items up and down & relocated panel to closet w/generous access from V berth side. New starboard panels on cabin walls & storage areas. New SS freezer. Additional rod holders installed. New rudder bearings and packings.

Electronics

Ray Marine 10" chart plotter. Sitex 6" chart plotter w/depth readout. Sitex depth sounder w/1 kw transducer. Ray Marine auto pilot w/rudder feedback and 2 stations. 1 com 504 Marine Radio.

Deck & Hull

22' carbon fiber outriggers. Carbon Fiber Center Rigger. Recent Lewmar rope/chain windlass & custom SS anchor pulpit. Removable bait well w/magnetic coupled pump. 2 aft facing cockpit chairs with cushions and pedestal mounted. Removable ladder for swimming.

Interior

Electric flush toilet.

Galley

Three bilge pumps. New SS Isotherm freezer.

Broker Remarks

This 28' Bertram has been meticulously upgraded regardless of cost, with newer installed reliable Volvo Diesel's that are ultra fuel efficient. Over 2800 of these boats produced. The first person serious about this model will buy her.

Exclusions

Owner's personal belongings.
