Broker Comments

With a step-down galley and an adjoining utility room with washer/drier, ice maker, and extra freezer, Sitara has low center of gravity making her an exceptionally stable vessel, comfortable at anchor or underway in choppy conditions. Sitara is the Sanskrit word for “Morning Star”. Sanskrit is the language that gave us “karma” and “kama sutra”, among other suggestive words. Owners have enjoyed Sitara and taken great care of her for the past 8 years, but now must part with her due to other family priorities.
