SPECIFICATIONS

Overview

(LOCATION: Satellite Beach FL) This Nordic Tug 32 trawler is a classic trawler that combines space, comfort, and economy in a sturdy all-weather package. Large enough to live aboard and small enough to navigate intra-coastal waterways. She is equipped with a bow thruster to aid in maneuvering. She features a pilothouse, sun deck, aft deck, large open salon, and roomy stateroom to insure room, comfort, and convenience.

On deck we start at the bow with a roomy foredeck with stainless steel rail, anchor and windlass, and wide side decks giving easy access to the pilothouse. Above is an open sun deck with red bimini top, fresh air, and great views. Down is the aft deck with room for casual seating or dining. The salon entry puts the galley just a few steps away. On the outside of the stern rail is a full width swim platform, hydraulic dinghy davit, and a hard bottom dinghy with electric motor.

Doors on either side access the interior. The pilothouse has 360° views, well equipped helm station, guest seating, and stairways fore and aft. Aft we have a salon that has large windows for natural light and shutters for privacy. Recently refurbished with new upholstery and new ceilings the interior has fresh appeal. Starboard with we have a large convertible dinette with new table. The galley is port side and features wraparound cabinets, solid surface countertop, stainless steel sink, electric cooktop, microwave oven, and under-counter refrigerator/freezer. Stairway aft accesses the aft deck, and steps forward lead up to the pilothouse.

The stateroom is forward with v-berth, under-berth storage, and hanging locker. The enclosed head has toilet, vanity with sink, and shower stall. The dinette converts to a double berth when needed.

Power is provided by a 220-hp Cummins turbo diesel engine designed for economical and dependable performance. Mechanical features include reverse cycle HVAC and a Northern Lights generator. She is well equipped, carefully maintained, and ready to cruise. Call now for more information and to schedule a showing of this Nordic Tug 32.
