## Overview

---

### **Riva Venere 75, 2008 in near perfect condition.**

The boat is in near perfect condition as it has been meticulously maintained throughout its life with a full-time crew on-board and no expenses spared.

This boat shows well, runs well.

The MTU 10V2000 are **under full extended warranty until August 2017**. Currently shows 935 hours.

### **Special Edition with Walnut finish**

This Riva Venere was one of 2 limited editions built with a dark walnut finish.

It is now the default finish of all new Riva Veneres since 2012.

The galley was also modified to create much more space and it is a pleasure to sail this yacht for weeks at a time.

### **Custom modifications**

This Riva Venere features a full custom aft deck sunbed that can comfortably accommodate 8 adults lying down.

It is one of the central features of this yacht and gives it much more exterior space than the standard configurations.

During the day, it is a pleasure to lay down and enjoy the sun.

At night, it becomes an extension of the salon and integrated a built-in 50" Television for a "outdoor cinema" feel.

### **Other features:**

- Atlas Frequency converter for Europe / US / Worldwide shore power.
- ARG Stabilizer keeps the ship stable when anchored

- Searecovery water maker (never run out of water again!)
- Underwater lights
- Bow and stern thrusters
- Raymarine and MapTech electronics
- Nautica Nano Tender 14 feet
