SPECIFICATIONS

Overview

Safety, quality and craftsmanship are the features one will appreciate as you view this custom built yacht. ROCK A BYE's original owners spent numerous years researching construction, durability, build styles and contacting a variety of Naval Architects prior to undertaking their dream of building a custom steel trawler and cruising the world. The team that built ROCK A BYE was hand-picked by a Baltic Sea Captain who is a graduate from MASS. Maritime Academy with a masters degree in engineering, Weststates Engineers and Associates specializing in precision laser cutting of steel and aluminum.
