## Overview

---

Original custom design solutions, so that owners can choose materials and finishes and their very own layout: the 29M reflects the shipyard's philosophy of combining fine craftsmanship, top-class features and prestigious materials.

The craft's clean-cut contours and sleek, streamlined profile deliberately mirror Nature's purest forms; the roll bar on the fly deck helps make the style of the yacht dynamic thanks to its distinctive form inspired by rear jet aircraft fins.

The glass partition on the fly deck shelters a large jacuzzi tub from the sun and wind, while at the same time offering guests the beauty of unforgettable sea views. The lounge reveals a spacious sofa area, a dinette for 8 people and a kitchen equipped with every comfort. The day lobby leads onto the helm station with high-tech instrumentation.

The side platform offers owners exclusive access – a beautiful private terrace - to the sea directly from the Master Suite. It has a full beam design featuring a liquid crystal partition that divides the bathroom area and Jacuzzi tub from the rest of the cabin. The suite is completed by sumptuous king-size bed, spacious wardrobe area and separate toilet.

The VIP cabin and the two guest cabins are splendidly furnished to match the other rooms. The fittings have a refined, modern design that combine with precious panelling materials.
