DETAILED INFORMATION

Overview

Manufacture Information:

Bold styling, upscale accommodations, and a versatile personality characterize the Silverton 38 Convertible, a handsome sedan cruiser with a cockpit large enough for serious fishing. With her wide 14 foot 3 inch beam, this is a big 38 footer with the salon space of a much larger boat. Forward you will appreciate a pedestal berth. The guest stateroom, which extends under the salon sole, comes with a full-size hanging locker and twin single berths, and the single head is split with the shower to port and the sink and toilet to starboard. A full service galley, three steps down from the salon, includes generous storage as well as hardwood flooring. The cockpit has two fish boxes in the sole, storage box in the transom and enough room to square dance. A molded staircase makes it easy to reach the fly bridge, and a cockpit hatch provides access to the engine room. What great yacht.
