Overview

The Gran Turismo 62' model was introduced in 2013 and offers a desirable layout not common to other express cruisers. The upscale interior features warm walnut/wenge paneling and hardwood flooring with a salon which can be truly opened to the outside via powered sunroof and side windows plus a triple salon door. No other express cruiser this size offers a full-beam mid master stateroom with a full-beam bath, plus two other guest staterooms (with beds that are convertible to a king) and opening hull-side windows.

Loaded with options including bow/stern thruster, HD satellite TV, comprehensive Garmin electronics, wifi, watermaker, passarelle, garage with tender, hydraulic swim platform and much more!

"Gla-mur" is a fine opportunity for a like-new Gran Turismo with extended engine warranties at a substantial discount over new. She has been professionally maintained with an open checkbook and is ready to cruise!

DETAILED INFORMATION

Accommodations and Layout

Sleeps 6 in 3 staterooms with two baths.

The Fairline Gran Tursimo 62 offers **exceptional upscale and contemporary interior styling** -warmly accented with rich, **satin walnut** paneling, wenge trim, fabric covered walls and grey laquered cabinetry. Beautiful **hardwood flooring** is featured throughout the interior with exception to the staterooms - which offer woven off-white carpet.

Two guest staterooms are below and aft. Each feature twin beds with custom down bedspreads, hull side windows, large mirrors (adds a 'volume' feel), closets and full audio video. **The port guest stateroom's twin berths can be slid together to make for a king-sized bed.** These staterooms share a bath located on the starboard side (also used as a day head) which features a roomy glass stall shower with seating, a pedestal sink and opening hull side window.

Uncommon for yachts this size, a **spacious full-beam master stateroom is forward and amidships** - offering a walk-around king bed, sofa, large mirrored wall, vanity, drop down television and opening hull-side windows. An attractive ceiling wood treatment and shoji screen forward complete the ambiance. A **full beam master bath** with stand-up shower with seating and custom grab rails are forward....making her quite desirable for living aboard.

Entering the salon from the aft deck area, a U-shaped white leather sofa (which can convert to another bed) is to starboard with a high/low expandable table. Across on the port side, a running cabinet offers storage and a HD television which can be raised or lowered. On those perfect days, one can open the entire salon to the day via **electrically powered sunroof and side windows**, an aft set of ceiling windows and a **triple glass door** to the aft deck. Powered, pleated blinds and a manual pleated blind for the aft ceiling clear panels can be closed when privacy is desired.

Forward and to starboard, twin **electrically adjustable helm chairs** and 360 degree view-ability allow for comfortable operation behind an ergonomically laid-out helm area.

Galley

The galley is to port and down a short flight of stairs forward of the salon. A functional and open arrangement with solid-surface countertops make it a pleasure to prepare informal meals with the feel that you are still not removed from the salon.

Plenty of storage is found for groceries via cabinets, concealed floor lockers and a laundry area under the galley and down to the lower deck foyer.

Remarks

This desirable Gran Turismo model was ordered and upgraded by a knowledgeable boat owner who demanded the best quality and latest equipment. Features include an open and very live-able salon and aft deck area, large galley and a huge, **full-beam master stateroom forward with a king bed and full beam bath**. She has been lovingly cared for since day one by a professional captain with no expense spared to make her a fine and versatile fast express cruiser which can be lived-on for extended periods. **Savvy buyers will recognize her for her many upgrades (including passerelle, side deck boarding, hydraulic platform, watermaker, yacht controller, bow and stern thrusters, upgraded exhaust system) and a like-new boat with low hours and extended engine warrantees.**

As the Gran Turismo model was only introduced in 2013, this is a terrific opportunity to buy one which is pre-owned, fully equipped and ready to cruise. "Gla-mur" cruises regularly between Florida and the Bahamas - call today for an appointment to inspect

her! Seller moving up....wants sold!
