SPECIFICATIONS

Overview

This is truly the nicest and most well maintained 2008 350 Sundancer on the market today. **(Called the 370 Sundancer from 2010 on)**. This spotless, turn-key, loaded package has only 264 hours on her twin freshwater cooled 8.1 liter 370hp Mercruiser V-drive inboards. This vessel just had a fresh detail and recent engine services. Her beautiful blue raked profile gleams as her gelcoat has been well cared for and waxed regularly. She has an unblemished engine room and her interior presents itself as new.

Sea Ray ranks among the very best names in the business by consistently delivering quality cutting edge products. This description clearly *fits this particular Sea Ray 350 Sundancer*. With graceful styling and her long list of yacht-class amenities, this blue chip yacht sets class standards for express-boat luxury and sex appeal. Below decks, her cabin accommodations are a compelling blend of cherry wood cabinets, Ultra leather upholstery, and designer galley appliances. The forward island berth features an electrically actuated adjustable extension and Posturepedic backrest with a Visco elastic foam mattress. Privacy curtains separate areas from the main salon, and 27" flat screen TV can be viewed from anywhere in the main cabin.

On the forward deck you will find an optional adjustable sun pad with speakers and an optional remote spotlight. Making your way down to the cockpit is a breeze with the walk-through windshield. In the cockpit you will find an abundance of comfortable quality seating with a teak cockpit table and **recently added camper canvas**. The solid-surface counter top wet bar features a stainless-steel barbecue grill, and a refrigerator. Just above you have a removable flat screen TV. On the swim platform you will find a novel foldaway transom bench and storage room behind it for fenders and gear. This is a great place to sit in the evenings while enjoying her underwater lighting.

At the helm you have SmartCraft diagnostics, digital throttle (DTS) controls and shifts, a Raymarine Color Chartplotter, VHF radio, optional spotlight remote. This vessel is easy to handle with the optional power steering and very quiet with her patented underwater exhaust. This boat shows just like NEW; do not miss the opportunity to make a great deal. Call today to arrange your showing, you will not be disappointed.

Basic Information

Category: Cruiser

Model Year: 2008

Year Built: 2008

Country: United States

Dimensions

LOA: 37' 0" (11.28m)

Beam: 12' 0" (3.66m)

Min Draft: 2' 3" (0.69m)

Max Draft: 3' 1" (0.94m)

Speed, Capacities and Weight
