SPECIFICATIONS

Overview

This 56 Viking Enclosed Bridge is new to the market and not to be missed. This excellent condition one owner yacht has been gently cruised and barely fished with the grand kids since new. She boasts a comfortable enclosed flybridge, mezzanine cockpit seating, tender with full hydraulic davit and comprehensive electronics. Her powerful MAN 1550 diesels are just getting broken in and all services are completely up to date as of September of 14. Turn key and ready to go anywhere. Conveniently located at our marina on beautiful Anna Maria Island.

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

The 56 Viking was one of the most successful boats ever built by Viking. It's noted for exceptional speed and sea keeping abilities with a generous 3 stateroom 2 head layout, comfortable salon and large galley. This boat was built with the optional enclosed flybridge, one of only a very few that were built in the last 2 years of this models production. It also features factory mezzanine seating in the cockpit as well as a custom "Release Marine" cockpit table /rocket launcher combo.

She has been lightly cruised her entire life and only used for fun fishing with the grandchildren. Her powerful and efficient 1550 MAN diesels run smoke free thanks to the latest in common rail injection technology and factory underwater exhaust. They have just over 1000 gentle hours and have always been serviced at Galati Yachts Anna Maria service center. The recommended MAN A1 and A2 services were performed in July so its ready to go wherever you want with complete peace of mind.

Accommodations
