Hull Material: Fiberglass

Hull Configuration: Modified V-Hull

Engine Information

Engines: 2

Manufacturer: Yanmar

Model: 6CXM-GTE2

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

Entering from the cockpit through a hinged door the elegance of this yacht's interior is immediately evident. Hand-crafted cherry joinery is everywhere you look and the cabin soles are teak and holly throughout. Large windows on all four sides not only make the salon bright and airy but provide excellent exterior visibility. The window treatments are cherry valances with venetian blinds and off-white curtains. The salon has an L-shaped settee along the aft and port side. The settee has navy blue Ultra-Suede upholstery with red piping. It also pulls out to convert to a double-berth if additional sleeping capacity is needed. In front of the settee is a nice hi-lo, drop-leaf table made of cherry with a burlled maple inlay. Forward of the settee is a large cabinet with the bottom suitable for hidden beverage storage while the large top is perfect for use as a chart table. In the salon's aft starboard corner is a comfortable swiveling pilot chair. Further forward is the starboard side helm station with fold-down helm seat. A sliding door leads from the helm station out the the starboard side deck. The salon overhead lighting is controlled by a dimmer switch and the overhead itself contains sound deadening material. A Clarion AM/FM/CD player connected to a Bose 131 marine speaker system provide dynamic stereo sound. Going forward, down a few steps is the portside, U-shaped fully equipped galley. Forward of the galley is the head compartment complete with dual access doors, stall shower with seat and bi-fold plexi-glass door, vanity with sink, pull-out mirror, exhaust fan, opening portlight, overhead hatch and a Vacu-Flush toilet. Opposite to starboard is the guest cabin with lounge that pulls out to sleep two plus flips up to sleep a third person, hanging locker, 3 drawers, mirror, two opening ports, overhead hatch, and two french style doors that open this cabin nicely to the companionway and galley. All the way forward is the private owner's stateroom with centerline island double berth, direct access to the head, large cedar-lined hanging locker, seven storage compartments, 6 drawers, Sony flat screen TV, two opening ports and an overhead hatch.

Galley

- Portside, U-shaped galley
- Panasonic Dimension 4 Genius microwave/convection oven
- Princess ceramic two-burner electric range
- Sub Zero under counter refrigerator/freezer
