DETAILED INFORMATION

Introduction

This very nice example of Cheoy Lee craftsmanship is evident throughout the custom layout. From her open concept interior to the stunning views from flybridge bar, you will appreciate *Seas the Moment* from the minute you step aboard. Amenities include a large country style galley, forward crew or children's quarters, ample storage both inside and out, giant plush sun pad and accommodation for a tender and two jet skis. A full beam master stateroom is adorned with comforts that will make *Seas the Moment* your home away from home. Her one owner has maintained this vessel to the highest standards and more. Stored indoors nine months out of the year, she shows in wonderful condition.

Main Salon

As you enter the main salon from the aft deck you will pass through a glass sliding door with a polished stainless steel frame. You will step onto plush cream carpet accented by the cherry & sapele wood interior. There are large windows to the port and starboard side giving a great view while either sitting or standing. The port side of the salon has a large blue freestanding leather sectional sofa with throw pillows and blanket. Window treatment with Hunter Douglas Duet shades and valance. In front of the sofa is coffee table chest for storage. To the starboard side, a custom cherry television cabinet houses a 42" Fujitsu plasma. There are two upholstered swivel barrel chairs on either side of the television.

The Audio Visual cabinet just forward of the TV houses:

- Denon AVR 3300 Surround sound
- Denon DVD 5 disc unit
- Yamaha Natural Sound DVD/CD Player RX 396
- Yamaha Receiver (Cinema DSP)
- Panasonic Head VHS
- Yamaha Natural Sound Dual Cassette
- Sony Audio Video Control
- Center Digital Cinema Sound 24 Bit Processor SAT TV with 4 integrated receivers

The drapes and valances are of high quality designer fabrics coordinated with the sofa and upholstered chairs, the window and aft sliding doors shades are Hunter Douglas. The overhead and partial wall coverings are a Majilite to finish the room.

Dining

Forward of the main salon is the DINING AREA with a free standing solid cherry wood table with

seating for eight. There is a built in buffet for storage with a black granite top accented by two pillars and a mirrored accent panel.

To the starboard side, just forward of the dining area is a wood spiral stairway leading up to the flybridge and down to the master and two guest staterooms.

Galley

The "country galley" forward on the main deck is large and open with a bar height eat in countertop with two bar stools. To the starboard is a country dining area with built in upholstered L-shaped seating and storage underneath. The sole is solid teak & holly. The cabinets are a cherry wood and the countertops Corian. There is a lot of natural light through the forward windshield and surrounding windows. A small folding flat screen TV mounted under the cabinet lets the chef enjoy the soaps as well! Full size stainless steel appliances make this galley as functional as your home.

- Frigidaire Refrigerator and Freezer with ice and water in door
- Frigidaire SS oven & stove top
- Fisher Paykel upper & lower dishwasher backsplash unit - Upgrade
- Kitchenaid Microwave oven overhead
- Cherry cabinets
- Large spare pantry in crew area - Upgrade
- Coffee maker

Day Head

Just forward of the spiral stairs and opposite the galley on the main deck, is the day head with a cherry wood pocket door and a window for natural light. The granite countertop is complemented by the nickel plated sink and wallpaper. The overhead is Mitsubishi "A-look" mirror. Granite sole with mother of pearl inlay. The head system is Galley Maid throughout. Ventilation fans in all heads.

Pilothouse

The lower helm station is located just forward of the galley which also has port and starboard pantographic watertight doors for easy access to the side decks. The electronics include:

- Northstar 962 and Northstar 952
- Furuno radar 72 mile
- B & G Speed & Depth
- B & G wind
- Robertson autopilot AP 20

- Connection for Weather fax
- Sea 857 Hailer
- Remote for watermaker
- 12V electrical
- Alpine CD radio
- Camera for engine room and aft deck
- Ships security system
- Uniden VHF
- SAT TV with 4 decoders (master, salon, crew, staterooms)
- Hynautic power steering
- Twin Disc single lever controls @ three stations (aft deck, flybridge and forward)
- Bow thruster is a 25 HP Naiad hydraulic PTO type driven off generator
- Navigation Monitor coupled with Navigation PC loaded with Map Tech & Nobel Tech programs with full set of backup CD's, infrared "Interlink" remote mouse
- Satellite phone
- In house phone system
- Dual ACR spotlight controls
- Analog Gauges with Cat monitors
- Faucet, Double SS sink and instant hot water

Master Stateroom

Following the stairs down from the dining area you will arrive at an elegant marble foyer with access to the master, VIP and twin guest staterooms.

The master is full beam stateroom with a king size bed with mirrored headboard, fitted bed covers and accent pillows. Appointed with cherry wood and sapele inlay, this spacious master will not disappoint. Plenty of storage in the cedar closets and drawers with a safe in the closet. An upholstered settee with storage is to the port side. The forward bulkhead houses the television, stereo, receiver, DVD player.

The master ensuite features a his & her head with a large luxurious marble walk through shower for two with double shower heads. To the starboard is a jacuzzi tub. The floor is marble, the wall surface is in a light colored textured covering, ceiling is in Mitsubishi "A Look" with recessed lighting and ventilation fan. Emergency access aft to engine room.

VIP Stateroom - Port Queen

The portside VIP stateroom has a queen berth with a cherry night stand, custom bed covers, window treatments, valance. There is a large hanging closet with full length mirrored door, adjacent is a cherry corner cabinet, fabrica carpet, entertainment system 11" JVC with VCR combo, receiver, recessed overhead speakers, intercom telephone system. Satellite television.

The VIP head is tastefully decorated with designer slate green stone sole, cherry wood, and avonite counter tops with recessed lighting, sink, vanity storage, shower, head and ventilation fan. Full size stall shower.

Forward Staterooms

The forward centerline stairs lead down to the crew foyer area. This area was customized in 2006 with a 6 cabinet storage unit for pantry, cleaning supplies, spare parts, etc. A great asset to the boat! The desk was added at the same time with fax and chair. Another added feature to this area is the large spare upright freezer.

The washer and dryer is to the starboard of the Freezer.

Forward cabin is forward with a double berth, cherry wood cabinets for storage, private head, shower and sink, hanging locker with full length mirror on door, JVC I VCR combo with built in speakers. The walls and ceiling are Majilite with recessed lighting.

The forward head is private with a large stall shower, sink, vanity cabinet, storage below and drawers. The ceiling is in Mitsubishi "A Look" with recessed lighting and ventilation fan.

The crew/guest cabin to starboard has an upper and lower berth, cherry wood, private head, shower and sink. Hanging closet, drawer storage, and full length mirror, matching custom bed spreads, new carpeting and Majilite wall and ceiling coverings with recessed lighting.

The ensuite head is private with a large stall shower, sink, vanity cabinet, storage below and drawers. The ceiling is in Mitsubishi "A Look" with recessed lighting and ventilation fan. Marble flooring.

Guest Stateroom - Stbd Twin

This guest stateroom features twin berths port and starboard, designer fabric bed spreads matching window treatments, valance, carpet, hanging closet, drawer storage. Entertainment consists of 11" JVC, VCR combo, with CD radio with recessed overhead speakers. Satellite television.

The guest head is tastefully decorated with blue designer stone sole, cherry wood, and avonite counter tops with recessed lighting, sink, vanity storage, full size stall shower, head and ventilation fan.

Fly Bridge

You can access the flybridge from either the aft deck or the interior spiral wood stairs. There are port and starboard L-shaped settees one with a fiberglass "coffee table" and one for dining. In

addition there is a fiberglass bar top facing forward with 3 barstools. There is a retractable Bimini top with full enclosure for the flybridge area. The cushions are blue and white.

- Portside bar with 3 stools
- Retractable Bimini Top
- Radar Arch
- Starboard wet bar with double JennAir grill and Haier glass front refrigerator
- U Line icemaker
- Bimini with full enclosure EZ2CY forward stratoglass sides and aft curtain
- 1 Stidd helm chair and 1 Stidd Double bench seat
- Lots of storage under the brow and seats

Flybridge Electronics

- Hailer Sea C857
- 8" Richie Compass
- Furuno 582 Depth Sounder
- Radar Simrad 48' mh
- Speed & Depth B+G
- Northstar 952 (separate unit) & 962 repeater
- Bow Thruster - Naiad 25 hp, twin propeller
- VHF Sea 157
- Daylight monitor navigator PC
- (Navigation computer) A (2) Monitor up and down
- Autopilot Robertson AP-20
