SPECIFICATIONS

Overview

(LOCATION: Naples FL) The Sea Ray 370 Sundancer is a popular and practical family cruiser with lots of room and power. She features a large open cockpit with ample seating and a spacious mid-cabin interior. Do not let the price fool you, this beauty has been well cared for and is very well equipped.

On deck we have a open cockpit with radar arch, bimini tops, and full enclosure. The helm features an adjustable helm seat with extra-wide companion seating. The spacious cockpit features a u-shaped lounge with room for many. The wet bar with refrigerator will help keep the guests and crew refreshed. A transom door gives access to the extended swim platform with Flexiteek finish and freshwater shower. The foredeck features stainless steel bow rail, anchor, roller, and windlass.

The carpeted salon has port side galley with upper and lower storage, solid surface counter, and integrated sink. Appliances include electric cook top, built-in microwave oven, coffee maker, and refrigerator/freezer. Opposite the galley is a convertible dinette with 10' wraparound settee and dining table. For entertainment there is a TV, VCR, and sound system. The forward queen berth has under-berth storage, dresser, and hanging locker. A mid-cabin lounge converts to a double berth and has hanging locker and drawer storage. The enclosed head with vanity and shower stall is forward port side. Reverse cycle HVAC maintains cabin comfort and a genset provides offshore electrical power.

This very affordable Sundancer was re-powered in 2006 by twin MerCruiser 310-hp V-Drive engines with 260 hours of use. This 370 Sundancer has a list of upgrades that probably exceeds the listing price of this cruiser but the owner wants her sold now. Call now for more information and to schedule a showing of this very desirable 37' Sea Ray.
