

TALES GONE WILD — HATTERAS

Судостроитель: HATTERAS

Год постройки: 2008

Модель: Моторная яхта

Цена: **ЦЕНА ЯХТЫ ПО ЗАПРОСУ**

Местонахождение: United States

Длина общая: 68' 0" (20.73m)

Ширина: 21' 6" (6.55m)

Макс. осадка: 5' 3" (1.60m)

Купить **TALES GONE WILD — HATTERAS** а также выбрать подходящую вам яхту из нашего каталога яхт вам поможет опытный яхтенный брокер Андрей Шестаков. На сегодняшний день компания **Shestakov Yacht Sales Inc.** имеет большое количество яхт в собственном списке продаж, а также тесно сотрудничает со всеми крупными яхтенными производителями по всему миру.

Для того чтобы купить яхту **TALES GONE WILD — HATTERAS** а также проконсультироваться по любому вопросу связанному с покупкой, продажей, чартером яхт позвоните по телефону **+7(918)465-66-44**.

ХАРАКТЕРИСТИКИ

Обзор

The 68' Hatteras Open Bridge Convertible with Tuna Tower Tales Gone Wild is without a doubt one of the most luxurious, well equipped 68' Hatteras Yachts ever built. She was built in 2008, but not delivered until 2010. Her Twin Caterpillar Engines have the Caterpillar Platinum Plus Engine Warranty thru November 16, 2014. The Balance of the Original Major Component Engines Warranty Extends to November 16, 2015. She has been Captain Maintained since New. She is a Four Stateroom Four Head Layout.

The 68' Hatteras Convertible is well know for its Superior Fishing Amenities and Abilities. Tales Gone Wild is a proven Tournament Billfish Raiser. She is also known for her Long Range Capability, Comfort, and Stable Ride. The 68' Hatteras Convertible is also know for its Massive Interior Volume. This is made possible by the 21'6" Beam the Widest among Competitors in this Class. From the Salon to the Galley to the Full Beam Master Suite this Beam Provides each Living Area with Massive Usable Living and Storage Space. The Huge 192 Square foot Cockpit is also a result of the Massive Beam of Tales Gone Wild. She also Features a Teak Cockpit along with Mezzanine Seating with Air Conditioning Overhead.

Tales Gone Wild is a Must See if you are Looking for a Sportfisherman in this Size. The Sellers are Serious, and She is Here To Be Sold.

Description

The 68' Hatteras Open Bridge Convertible with Tuna Tower Tales Gone Wild is without a doubt one of the most luxurious, well equipped 68' Hatteras Yachts ever built. She was built in 2008, but not delivered until 2010. Her Twin Caterpillar Engines have the Caterpillar Platinum Plus Engine Warranty thru November 16, 2014. The Balance of the Original Major Component Engines Warranty Extends to November 16, 2015. She has been Captain Maintained since New. She is a Four Stateroom Four Head Layout.

The 68' Hatteras Convertible is well know for its Superior Fishing Amenities and Abilities. Tales Gone Wild is a proven Tournament Billfish Raiser. She is also known for her Long Range Capability, Comfort, and Stable Ride. The 68' Hatteras Convertible is also know for its Massive Interior Volume. This is made possible by the 21'6" Beam the Widest among Competitors in this Class. From the Salon to the Galley to the Full Beam Master Suite this Beam Provides each Living Area with Massive Usable Living and Storage Space. The Huge 192 Square foot Cockpit is also a result of the Massive Beam of Tales Gone Wild. She also Features a Teak Cockpit along with Mezzanine Seating with Air Conditioning Overhead.

Tales Gone Wild is a Must See if you are Looking for a Sportfisherman in this Size. The Sellers are Serious, and She is Here To Be Sold.

Walk through

Walking through the 192 Square foot cockpit to the sliding door leads to the luxurious salon, which features genuine cherry wood in high-gloss polyester finish. A U-shaped, wrap-around lounge provides comfortable viewing of the 42-inch plasma TV, as well as storage below for assembled rods. In the galley you'll find several deep storage drawers and surplus pantry space. Under-counter refrigerators and Freezers, Granite countertops keep the area clean, while a four-burner ceramic cooktop and microwave/convection oven keep it functional. Genuine cherry inserts dress up the appliance fascias. Across from the galley is a large U-shaped dinette with drawers underneath for storage. The area even includes a computer work station for increased productivity on the water. The four-stateroom, four-head layout includes a spacious full-beam master stateroom amidship with king-sized tapered berth and padded headboard. Twin portlights provide ambient light, as well as an emergency exit. Two nightstands, dressers port and starboard, and a walk-in cedar-lined hanging locker accommodate a full complement of gear. The master head features granite countertops, bowed-front cabinetry and Plexi mirror fascia for a spacious feel. Guests can sleep in a VIP guest stateroom with queen berth in the bow or in the starboard guest stateroom, which includes side-by-side sliding berths. Crew's quarters with an upper/lower bunk arrangement lies to port. All compartments feature padded wall coverings and headliners.

Exterior Finish/ Construction

- Isophthalic gel coat, exterior layer, white
- Blister-resistant vinylester resin in hull bottom skin coat
- Hull and superstructure, polyurethane coating
- Polymer/copper-based anti-fouling bottom paint
- Boot stripe, polyurethane coating
- Decks, non-skid surface, polyurethane paint with polymeric beads
- Solid fiberglass hull bottom
- Hull sides and superstructure laminated with PVC foam core
- Fiberglass stringers
- Steel laminated in stringers at key locations to bolt engine mounts
- Engine room bulk heads and decks of resin-infused composite construction using PVC foam core with layers of fiberglass laminate on each side

Hardware & Miscellaneous

- Finished wood bulk heads with satin or high-gloss polyester finishing genuine cherry, African mahogany or high-gloss maple
- All hardware chrome on brass or welded and polished stainless-steel
- Fiberglass pulpit with welded and polished stainless-steel anchor chute and roller
- 60-pound Danforth anchor, anchor line and deck hawse pipe
- Windlass, 2500-pound, with 25 feet of acculoy hot-dipped galvanized chain and 300 feet of rope with deck mounted control switches
- Polished stainless-steel anchor cleat, through-bolted in aluminum backing plate
- Two polished stainless-steel stern cleats and hawse pipes, through-bolted in aluminum backing plate
- Four polished stainless-steel spring line cleats with chafing strips, through-bolted in aluminum backing plate
- Polished stainless-steel bow cleats and chocks with chafing strips, drilled and tapped in aluminum backing plate
- Polished anodized welded aluminum rails on bow, side-deck and flybridge, through-bolted in aluminum backing plates
- Powder-coated grab rails on cabin side and flybridge
- Polished anodized welded aluminum flybridge ladder with acrylic steps
- Fog bell
- Zincs on rudders and shafts
- Dual air horn
- Life ring
- Life jackets (8)
- Black braided nylon mooring lines (6)
- Portable “drychem” and fire extinguishers (10), U.L. approved type in compliance with United States Coast Guard and ABYC standards

- Stainless-steel trim tabs
- Integral manganese bronze struts
- Stainless-steel shaft/rudders with zincs
- 7-blade propellers, Nibral high performance
- Alloy 22 high-strength propeller shafts,4-inch,with zincs
- Manganese bronze dripless shaft and rudder seals with thrust bearing
- Bow deck access to rope storage locker
- Central vacuum system
- Prop removal/installation tool
- Black fenders (4)
- Stainless-steel reboarding steps to cockpit
- Deck plates for fuel and water fills and waste pump out
- Heavy duty bronze engine couplings
- Engine and generator exhaust exits through hull bottom and transom
- Generator exhaust,water separator
- Wireless remote control for cable master

Optional Custom Equipment

- Boottop,optional color
- Windlass 2500 upgrade to 300 ft. 3/8 chain w/divider
- Water delivery Kit

Electrical Systems

- Two 24-volt banks of heavy duty,12-volt marine batteries mounted in fire-retardant fiberglass boxes
- Gel/lead acid compatible 240-volt automatic/programmable battery charger,50/60Hz
- Automatic battery paralleling system with switch at control console
- Air conditioning,66,000 BTU(96,000 BTU with enclosed bridge),with reverse-cycle heating,with A/C compressors,individually controlled by SMX controls
- Two 240-volt,50-amp,transformer-connected retractable shore cords with over-current protection and wireless remote control,one each port and starboard
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets with ground fault protection
- Battery control panels with fuses and isolation switches
- DC distribution panel with magnetic circuit breakers
- DC distribution panel with magnetic circuit breakers(engine compartment)
- DC electronics panel with magnetic circuit breakers(bridge)
- AC distribution panel with magnetic circuit breakers
- AC switching panel with voltage source selector switches,voltmeter,ammeter,frequency

meters,twin generator start/stop controls,interlock selector breakers and voltage boost switches

- Computer controlled ethernet monitoring system with LCD touch screen display providing visual and audible signals for engines,gears,generators,high bilge water,fire warning in engine compartment,fire extinguisher discharge in engine compartment,AC power loss,smoke detectors,all tank level indication,low battery-voltage,alternator failure,battery charger failure,bilge pump control and run indication,holding tank pump control and run indication,and carbon monoxide detectors.A history log is maintained for critical alarms and trends may be set up to view various parameters with respect to time. Additional monitoring points maybe added to the system economically and easily.
- Ground fault protection on AC receptacles and lighting circuits
- Navigation lights
- Telephone/CATV inlets
- Telephone and CATV shore line cord,one each
- Omni-directional TV antenna
- U.L.1426 listed boat cable,tin-coated with insulation

Flybridge Equipment

- Computer controlled Ethernet monitoring system with LCD touch screen display providing visual and audible signals for engines, gears, generators, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine compartment, AC power loss, smoke detectors, all tank level indication, low battery-voltage, alternator failure, battery charger failure, bilge pump control and run indication, holding tank pump control and run indication, and carbon monoxide detectors. A history log is maintained for critical alarms and trends may be set up to view various parameters with respect to time. Additional monitoring points may be added to the system economically and easily.
- Molded fiberglass
- Top-loading insulated chill box, starboard
- Straight lounge to starboard, U-shaped lounge forward around to port with removable vinyl-covered Poly foam cushions and storage underneath
- Rod storage in port, starboard and aft lounges
- Neutral interlock switches allowing engine to start in neutral only
- Polished anodized welded aluminum rails and stanchions
- Powder-coated grab rails
- Control station with all necessary switches and dimmable lighted instrument panel
- Engine synchronization control
- Compass with dimmable light
- Pod console with custom wheel and single-lever clutch and throttle controls (electronic) with emergency back-up and trolling valve control switches
- Hydraulic power-assisted steering
- Twin Murray Sea-19 adjustable teak helm chairs with stainless steel hardware and footrest, and backing plate

- Deck plate for optional third helm chair
- AC weatherproof receptacle
- Aft-facing seat, aft of chill box and starboard lounge
- Top-loading deep freezer, 8 cubic feet, forward outboard port side of the console
- Audio system control, LCD keypad and a pair of Pioneer Marine waterproof loudspeakers
- Northstar 6000i GPS/plotter, Icom VHF, Simrad AP26 autopilot, Simrad IS15 depth and temp
- 24-volt DC distribution panel
- Power-actuated electronics console
- Optional/Custom Equipment
- Teak helm pod, Carolina Edition
- Dropdown wing station w/clutch throttle control
- Helmseat, Third Murray Sea-19 Teakchair
- Electronics package 2 by HST— see last page for full detail
- Pipewelders tower option—see last page for full detail
- Freshwater connection on flybridge for tower wash down
- Cushion
- Tower Console Cover Tower Seat and seat backcover—all covers Stamoid

US/EastCoast/Bahamas—charts

High Seas Technology Custom Electronics Package

- High Seas Technology Custom Electronics Package:
- Furuno Nav-Net VX2 1964C Radar/
- Hatteras installed 12v Braker Panel
- Chartplotter w/ 6' Open Array Antenna
- Newmar 12v Converter 32-12-50 Amp
- CDW: Ethernet Hub VEI: Video Switch System w/LCD Touch Screen
- VEI 15" Bright Display for Radar Hatteras Display:
- VEI 15" Sunlight Display w/Wireless Mouse
- Furuno Nav-Net VX2 GP1920C GPS/WAAS Chart Plotter
- Icom 604 VHF/Hailer w/17'6 VHF Antenna
- Furuno BBFF3 Network Sounder,
- KVH Tracvision High Performance System
- Dual Frequency w/ High Definition Satellite Receiver (3)
- Furuno Transducer in Oil Box
- KVH Fleet 33 Satellite Phone System
- Furuno 15" Bright Display for Sounder
- Panasonic KX-TA824 Phone System w/
- VEI Navigation Computer:
- Marci ENS w/Nobeltec
- Admiral Caller ID, (3) Speaker Phones & (1)

- Cordless Wireless Mouse, Wireless Keyboard,
- GPS Antenna
- ACR Satellite EPIRB w/Integral GPS, Automatic Release
- Plotter Display: VEI 15" Sunlight Display (3)
- Raymarine Day/Night Marine Camera

Pipewelder's Custom Full Tuna Tower

- Full Tower w/Molded Top,
- Single Rail One-piece Standing Platform
- Tower Sunshade,
- 72" Molded Top Bench Seat Fixed with 72" Backrest
- Stand-Off Antenna
- Flush Mounted Compass
- Control Box, 50" Contoured Face Radar Box Hardtop,
- Oval Style for Radar Dome,
- Teaser Reels
- Sturdy Controls & Steering with Sliding Door
- Lighting Rod on Sunshade
- Anchor Run Lights
- Teaser Reel US9 24v
- without handle (2) Rigging Kit
- LedNav Molded Red/Green & Stern Lights
- 3-Spreader Outrigger,
- Stiff Arm, Bridge Release
- 3-Sided Strataglass Curtain Enclosure
- Linear Lights, 4 in 1
- Center Rigger,
- Tapered Pole Instrument Box w/ Fold Down
- Outrigger Auto Lock Assembly-Manual
- Recessed LED Red/White Lights
- Rod Holders (8)

Cockpit Features

- Molded fiberglass, 192 square feet including 25 square feet of seating
- Seating with cushions across upper mezzanine
- Scuppers
- Polished anodized aluminum ladder to flybridge with acrylic steps
- Transom door
- Two 50-amp shoreline retractable shore cords with remote
- Seawater and freshwater wash down outlets with Hatteras patented quick disconnect

- Shore water connections with pressure-reducing valve and Hatteras patented quick disconnect, one each port and starboard
 - Two tackle drawers with perforated stainless-steel bottom, covered by cabinet door, starboard mezzanine
 - 4.6-cubic-foot bait freezer, port mezzanine
 - Insulated 4.6-cubic-foot storage tub, mezzanine
 - Three 18-gallon storage tubs, lower level mezzanine
 - Two 65" fish boxes with macerator, flush in deck, hinged with gas cylinders
 - Molded-in transom fish box with drain, optional (F)
 - Seat hinged for access to engine compartment
 - Storage in steps to deck house, with chill box in top step
 - Sliding glass door to salon
 - Fiberglass cockpit boarding step box with storage
 - DC overhead lights under flybridge overhang
 - Aluminum mounting plate laminated in deck for fighting chair
 - Telephone/CATV inlets
 - Polished stainless-steel rod holders, flush mount, set of 4
 - Stainless-steel corner hawsers
 - Audio system control, LCD keypad and a pair of Pioneer Marine waterproof loudspeakers
 - Cockpit coaming lights
 - Optional/Custom Equipment
 - Cockpit chipped ice machine, Eskimo, one outlet only
 - Teak cockpit sole, Teak mezzanine deck including steps—Carolina Edition
 - Air conditioning blower—cockpit overhang
 - Washdown, freshwater, foredeck, addl outlet
 - Underwater lights, 2 each
 - 10cu ft freezer in lieu of std freezer & inboard storage box—cockpit
- Cockpit transom fishbox w/recirculating livewell
- AM/FM stereo w/CD—cockpit
 - Pompanette wingboard rodholders, 6
 - Cockpit mezzanine cushions
 - Bluewater fighting chair
 - Bluewater cockpit table

Engine Compartment & Bilge

- Water manifold with centralized shut-off valve for sinks and showers
- AC fluorescent lights
- DC lights
- DC exhaust blower
- Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers

- Two 27.5kW freshwater-cooled Electronic Quiet Diesel Onan generators(D) with shock mounts, seawater strainer, remote start, fuel/water separator, hour meter, water lift muffler and sound enclosure
- Variable-speed air induction system for engine combustion air with two 16" vaneaxial fans ducted to cockpit and controlled by pressure and temperature (single fan reversible for flow-through ventilation)
- Polyethylene water lines
- FM200 fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals
- Pressurized 230-volt AC freshwater pump with central charcoal freshwater filter and back-flush capabilities
- 230-volt AC 40-gallon electric water heater
- Freshwater fill hose for engines and generator
- 24-volt DC bilge and sump pumps: four at 3700 gph, two at 3800 gph and three at 2000 gph, with heavy-duty float switches and protective guards
- Two auxiliary emergency bilge pumps, 300 gpm each, one in lazarette and one in engine room
- Bronze/chrome plated ball-valves through-bolted in solid fiberglass on all underwater through-hull fittings with electrical bonding throughout
- AC compressed air system with air line and regulator
- U.L. Marine-listed fiberglass fuel tanks constructed with fire-retardant resin and bronze fittings, and coated with fire-retardant paint
- Fiberglass holding tanks with bronze fittings
- Fiberglass water tanks, constructed with bronze fittings and materials which comply with the requirements of Title 21 for food and drugs.
- Sewage holding tank with 24-volt DC sewage pump, plumbed for dockside pump out, with 3/4 full display and alarm as part of systems monitor programmable logic controller
- U.L. Marine listed fuel filter/water separator, generator
- U.L. Marine approved duplex fuel filters/water separators with bypass manifold, engines
- Monitoring consoles for main engines include all necessary gauges, start and stop switches
- 110-volt AC reversible oil changing system for engines, gear and generator with Hatteras patented quick disconnect
- Electric fuel priming pumps, engines
- Electric fuel transfer system with two pumps, providing back-up capability, with filtration and dry tank protection for pump
- United States Coast Guard type A1 U.L. Marine approved fuel lines
- Seawater pressure system with AC pump
- Air conditioning compressors and pumps
- Welded and polished stainless-steel grab rails
- Painted polyurethane engine room and bilges
- Rubber deck mat between engines
- Isolated discharge sea chests
- Transducer well, glycol filled

- Sealed shower sumps
- Pultruded fiberglass rudder shelf
- 1” stainless-steel steering tie bar with pivoting self-aligning ball joint connection at all cylinder and tie bar connections
- Insulation in deck
- Pick-up sea chests
- Optional/Custom Equipment
- Bow Thruster, 12in, 25HP, Powered by Gear Box
- Watermaker—install thru hulls and wire
- Watermaker Aquamatic new 4/2012
- Freshwater AC backup pump
- Wetspot water cleaner

Utility Room

- Freezer, 4.6 cubic feet
- AC duplex outlet
- AC and DC light fixtures
- Central vacuum

Salon & Galley

- Carpeting
- Whisper wall headliner
- Finished wood bulkheads with satin or high-gloss polyester finish in genuine cherry, African mahogany or high-gloss maple
- Fluted wood valances with 2” wood blinds
- Fixed frame less windows with tinted safety glass
- Whirlpool ice maker
- Telephone outlet
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Electric panels
- Boston Acoustics 5.1 surround-sound speakers
- Entertainment center including 42” plasma TV with omni-directional antenna, AM/FM “surround sound” stereo receiver with DVD/CD player, and one-touch RF remote control system
- Custom U-shaped lounge with rod storage, loose cushions, armrests and double needle stitching
- Bottle and glass storage

- Throw pillows
- Polished stainless-steel threshold at salon door
- Air conditioning dispersed through fluted valances, port and starboard
- Smoke detector
- Sliding glass door
- Chair
- Carbon monoxide detector

Galley & Dinette

- Amtico vinyl-strip flooring
- Whisper wall headliner
- Fluted wood valances with 2" wood blinds
- Fixed frame less windows with dark tinted safety glass
- Solid-surface counter tops, stainless under-mount sink and storage cabinets made of genuine wood to match interior finish
- AC under-counter refrigerator and freezer drawer units
- AC four-burner ceramic cook top
- Microwave/convection oven covered by cabinet door
- One-half hp continuous feed garbage disposal
- U-shaped dinette with drawer
- Trash compactor
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Throw pillows
- Telephone outlet
- Central vacuum outlet
- Air conditioning dispersed through fluted valances, port and starboard
- Drawers (4) in galley fascia
- Genuine wood inserts to match interior finish on appliance fascia

Lower Companionway

- Carpeting
- Whisper wall headliner
- Wall covering
- DC light fixtures
- Flush-panel genuine wood doors to match interior finish, with door stops, to master stateroom, guest staterooms and day head
- Steps to salon
- Washer/dryer

- Access hatches to all bilges
- Access to port/starboard storage with DC light

Full Beam Master Stateroom

- Carpeting
- Whisper wall headliner
- Wall covering
- Genuine wood cabinets to match interior finish
- Whisper wall padded panels on hull side
- King-sized tapered berth with upholstered headboard
- Upholstered berth base
- Poly foam mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets(E)
- Walk-in cedar-lined hanging locker with door and automatic light
- Nightstands, port and starboard, with drawers
- Dressers, port and starboard, with drawers
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- 20" LCD TV with MATV outlet
- AM/FM audio access with local DVD/CD changer and a one-touch master universal remote with RF control
- Boston Acoustics loudspeakers
- Telephone outlet
- Full-length mirror
- Clear plexi-mirror directly behind berth with Whisper wall panels
- Private access to head with door stop
- Ventilating port lights, port and starboard
- Carbon monoxide detector
- Air conditioning dispersed through fluted valances, port and starboard
- Smoke detector
- DC low-voltage lights under berth
- SMX HVAC compartment controlled

Guest Stateroom (Starboard)

- Carpeting
- Whisper wall headliner
- Wall covering
- Genuine wood cabinets to match interior finish
- Convertible twin/queen berths with upholstered headboard and storage under berths

- Carbon monoxide detector
- Upholstered berth bases
- Poly foam mattresses, spreads, throw pillows, pillows, pillow shams, mattress pads and sheets(E)
- Cedar-lined hanging locker with door and automatic light
- Air conditioning dispersed through fluted wood soffit
- Blanket locker, outboard
- Nightstand with drawer
- Full-length mirror
- AC and DC light fixtures
- AC duplex outlets
- AC dimmable lights
- AM/FM audio access with local DVD/CD changer and a one-touch master universal remote with RF control and a pair of Boston Acoustics loudspeakers
- Hinged door with private access to head
- 20" LCD with MATV outlet
- Central vacuum outlet

Guest Stateroom (Bow)

- Carpeting
- Whisper wall headliner
- Wall covering
- Genuine wood cabinets to match interior finish
- Whisper wall padded panels on hull side
- Queen-sized tapered berth with upholstered headboard and cedar-lined storage underneath accessed via pneumatic cylinders
- Upholstered berth base
- Poly foam mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets(E)
- Built-in dresser, port and starboard
- Carbon monoxide detector
- Cedar-lined hanging lockers with automatic light
- Overhead storage lockers, port and starboard
- Screened overhead hatch with privacy cover
- Nightstands, port and starboard
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Full-length mirror
- 20" LCD with MATV outlet
- AM/FM audio access with local DVD/CD changer and a one-touch master universal remote

with RF control and a pair of Boston Acoustics loudspeakers

- Clear plexi-mirror (forward bulkhead)
- Private access to head with door stop
- Telephone outlet
- Smoke detector
- DC low-voltage lights under berth
- Pocket door to stateroom
- Air conditioning dispersed through fluted wood soffits, port
- Optional/Custom Equipment
- :Telephone outlets—Bow and Port SR's
- Plexi mirrored ceilings—Bow head, master head, starboard head and Port/ day head
- Master head countertop—Avonite Midnight Sky
- Bow head, Port head and starboard head countertops—Avonite Pear
- Custom décor bunk covers, pillow shams, head boards, roman shades, wallcovering, throw pillows etc BowSR—artwork.
- Addlsheets—4sets single, queen set, king set
- HMC king mattress

Port Crews Stateroom

- Carpeting
- Whisper wall headliner
- Padded wall covering
- Upper and lower berths with cedar-lined storage under lower berth
- Poly foam mattresses, spreads, throw pillows, pillows, pillow shams, mattress pads and sheets(E)
- Cedar-lined hanging locker with door and light
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Dresser with drawers
- Audio system control, LCD key pad and a pair of Boston Acoustics loud speakers
- Full-length mirror
- Private access to head with door stop
- Carbon monoxide detector

Master Head

- Amtico vinyl-strip flooring
- Whisper wall headliner

- Wallcovering
- Solid-surface counter tops with solid-surface backsplash,side splash and integral sink over storage cabinet made of genuine cherry wood with high-gloss polyester finish and bowed fronts
- Linen storage
- Hardwood baseboards
- Shower with single door,seat and automatic enclosed sump pump
- Storagecabinetwithmirror
- Towel bars(2)
- Headhunter freshwater toilet
- 120-voltAC airfreshener blower
- AC and DC light fixtures
- AC duplex outlet
- Plexi-mirror around upper cabinet
- DC low-voltage lights under toe kicks
- Air conditioning discharge
- Holdingtank 3/4 full indicator light

Guest Day Head Port

- Amtico vinyl-stripflooring
- Whisperwall headliner
- Wallcovering
- Upper storage cabinet with mirror
- Solid-surface countertops with solid-surface backsplash,side splash and integral sink over storage cabinet made of genuine wood to match interior finish with bowed fronts
- Stall shower with door,seat and automatic enclosed sump pump
- Towelbar
- Headhunter freshwater toilet
- 120-volt AC air freshener blower
- AC and DC light fixtures
- AC duplex outlet
- Plexi-mirror around upper cabinet
- Hardwood baseboards
- DC low-voltage lights under toe kicks
- Linen storage
- Holding tank 3/4 full indicator light

Guest Head (Starboard & Bow)

- Amtico vinyl-strip flooring
- Whisper wall headliner

- Wall covering
- Upper storage cabinet with mirror
- Solid-surface counter tops with solid-surface back splash,side splash and integral sink over storage cabinet made of genuine wood to match interior finish with bowed fronts
- Plexi-mirror around upper cabinet
- Stall shower with door,seat and automatic enclosed sump pump
- Screened overhead hatch with privacy cover
- Towel bars
- Head hunter freshwater toilet
- 120-volt AC air freshener blower
- AC and DC light fixtures
- AC duplex outlet
- DC low-voltage lights under toe kicks
- Hardwood baseboards
- Holding tank 3/4 full indicator light
- Hinged door to staterooms
