SPECIFICATIONS

Overview

THIS 2002 SEA RAY 340 SUNDANCER, IS VERY WELL EQUIPPED, AND THE OWNER HAS KEPT HER IN EXCEPTIONAL CONDITION. DON'T MISS THIS GREAT OPPORTUNITY TO OWN THIS 2002 SEA RAY 340.

This 2002 Sea Ray 340 Sundancer is powered by the optional and desired Twin T-VD 8.1 S Horizon MerCruiser and inboard V-Drive Transmissions. Her more powerful engines when run at a modest cruising speed provide the fuel economy of the available smaller engines, because the more powerful engines don't have to work as hard. However, when you need more power for larger passenger loads or more speed this is the engine you will want.

This boat is a good example of why Sea Ray continues to lead the market for mid cabin express boats. Attractively styled and built to high standards, the 340 is a superb entertainment platform with a wide open interior and a cockpit large enough to accommodate a small crowd.

The photos show her true present day condition as spotless and well taken care of. She has beautiful lines, luxurious appointments, all the comforts of home, and the perfect express cruiser for a sunset cruise with friends, a weekend on the gulf with family, or even an extended cruise. You could be traveling on this boat with rich cherry woodwork, posh furnishings, heating, air conditioning, a full galley, a full head with shower, large forward island berth, and an aft seating area that converts to an additional berth, what are you waiting for? **Boat Name** NWD **Specs** Builder: Sea Ray Boats, Inc.
