# DETAILED INFORMATION

---

## Introduction

---

World famous Ocean Eating 24' beam hull Huge cockpit to fish the tournaments- ANYWHERE Very comfortable super-wide beam salon with all the amenities Sleeps 8 in 4 stateroom/ 3 head and shower layout Enclosed Pilothouse and full tuna tower Updated equipment 2010 Amazing Striker designed by Pieter Beeldsnijer- Edam, Holland Constructed in South Africa for the heavy seas off CapeTown! "Nanea" was totally refit by Northcoast Yachts in 2010 at which point she received- new Caterpillar 3412's, new designer interior, new Navigation electronics, and new exterior paint.

## General Arrangement

---

This outstanding sportfish is a rare breed today. She is heavily built to out run, out fish and out cruise most other fisherman today. Bring all of your friends, she has room to spare. The enclosed bridge of the boat is very spacious and will accommodate many guests. The boat is rigged for serious tournament fishing with more than 220 square feet of teak cockpit. Enter the nearly 24 foot beam cockpit you are greeted with , a fighting chair and plenty of room to take care of any fishing business. Up a few steps to the salon level you have vertical rod storage lockers and an on deck head and an automatic sliding door to the salon.

Entering the vessel through the main salon door, the starboard side has a leather chair and L-shaped couch and entertainment center. To the port are the stairs to the enclosed bridge and forward is the galley with island workspace with sink and refrigeration. Going forward down the companionway to starboard is a guest stateroom with twin berths and ensuite head. To port is the master with queen walk around berth and ensuite head, Continuing forward to port is a common area with linen locker and washer/dryer in a dedicated locker. Forward to both port and starboard are two additional guest staterooms with over/under berths that share the jack & jill head forward.

The enclosed pilothouse has great visibility, navigation electronics and seating for entertaining guests. Aft through the pilothouse door is access to a full walk around Portuguese deck, engine controls looking aft and access to the tuna tower.

## Salon & Galley

---

Walking into the salon through the automatic sliding door you are met with a bright interior, rich wood tones of the custom cabinetry and the feel of a "great room". The salon to starboard has comfortable leather seating, a bar, and entertainment center. The galley is open to the salon and has beautiful granite countertops with a compliment of high end stainless steel Sub Zero and Wolf appliances.

## Galley
