Remarks

Waterbase is a very well kept 31 Bertram. These boats are known for their rugged construction and rough-water Sea keeping ability. Bertram 31's are worldly popular for their original deep-V hull design. Waterbase is a show stopper everywhere she goes. Very clean lines and extremely efficient performance are just a few features she has to offer. She has been captain maintained and kept in ready to go condition. Bertram 31 is a very versatile boat with her shallow draft, spacious cockpit and efficient performance makes a great boat for fishing as well as cruising.

The cabin is very well laid out with a separate V-berth up forward and optional dinette that converts to a bunk. She features an enclosed head with sink. Comfortable cushions cover the engine boxes and create great cockpit seating or lounges. She can operate on shore power or generator for overnight ventures.

Waterbase has gone through many recent changes including but not limited to: Engine re-power (2011), Full Paint (2006), New Vinyl rub rail (2006), full interior varnish (2006), New bimini cover and cushions (2006), Transom fishbox, new deck hatches and much more. Very economical with a 27knt cruise @15/gal/HR and a top speed of 33knts!

Waterbase is a very well done 31 Bertram as I can personally attest. I have fished on her in various conditions and was thoroughly impressed. Captain maintained and it shows!

The owner of this boat has spent thousands in upkeep and improvements over the years. This is definitely one to look at. The boat is a must see located in Stuart, FL and can be viewed by appointment.

Exclusions

Owner's personal belongings.
