## Overview

---

Like most Ocean models the 43 Super Sport is a lot of boat for the money. Aggressively priced, the 43 delivers more than just a rakish profile and better-than-average performance; she also boasts a well-finished interior with a spacious salon and an innovative master stateroom layout. Built on a tapered, modified-V hull with a shallow keel and a well-flared bow, the 43 SS comes with a long list of standard equipment and relatively few options. Her spacious two-stateroom floor plan is arranged with a private head in the master stateroom (located in the bow of the boat) and twin single berths in the guest cabin. The wide-open salon is created by extending the house well forward on the foredeck and tucking the guest stateroom under the galley. The cockpit has a freezer, a huge fish box, transom livewell, washdowns, tackle storage lockers, and a transom door. Additional features include a central vacuum system, wide side decks, engine room washdown, and a bow pulpit. The twin 480 hp Volvo diesels cruise the 43 Super Sport at 25 knots and reach a top speed in excess of 30 knots. Like most Ocean models the 43 Super Sport is a lot of boat for the money.
