Model: R6 800

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Our Trade is a 2008 55/58 Sea Ray Sundancer that was a custom built yacht and one owner vessel. This yacht has very striking exterior lines, a very large cockpit, a full beam master and a large separate VIP in the bow. **Our Trade** is equipped with a hydraulic swim platform. To the starboard side is access to the cockpit with a lower and upper area. The upper cockpit is teaked and the lower cockpit is equipped with a full bench seat. This lower area is also equipped with a dual burner grill. The upper cockpit area is air conditioned with a drop down curtain to keep the AC in this area. To the starboard is a large high gloss teak table with dual half-moon bench seats that rotate. There is a flat screen TV mounted on the port side & just forward of that is a bench riding chair. The helm is located to the starboard side w/dual helm seats. The helm is equipped with Raymarine Electronics. **Our Trade** lower area is very large with Dark Cherry High Gloss cabinetry, a large L-shaped couch to the starboard and a complete galley to the port along with wood floors. The Salon is complete with a 32" flat screen TV, Bose Lifestyle home theater system and is connected to the HD DSS SAT TV system. The galley is equipped with a microwave convection oven, great refrigeration and freezer space and a separate storage area for wine bottle storage. Just aft of the galley and salon is the walkway to the master stateroom. Just prior to entering the master there is a separate washer and dryer over the single units that wash and dry. The master is full beam with plenty of walk space on either side of the bed. The master bed is electric for incline & has massage features. The master head has a large separate shower and tile flooring. The VIP stateroom is in the bow with a walk in closet to starboard and a full head w/separate shower. **Our Trade** has an easy access walkway around the sides to the bow which is equipped with an adjustable sunpad. For more information, please contact: Scott Robertson 727-638-7890 **Click on the link below to view a slideshow of Our Trade:**
