---

# DETAILED INFORMATION

---

## Broker's Comments

---

Very clever, amazingly well-kept, completely-kitted and serviced 2014 – this is a gleaming example of the highly versatile 410 Statesman. The hull was then used as the blueprint for the F43 – which is a renowned sea-keeper – and a pair of shiny 365HP Volvos sit snugly beneath her saloon floor (which is fully removable for excellent access).

Her aft cabin has both a separate shower cubicle and a separate heads with sink and electric wc, the galley is fully fitted, she has a generator for offshore work, heating and a complete set of navigational kit.

Must be seen – seriously for sale and viewing is completely required.

## Construction

---

*Overall Measured Length: 46'9" inc. 5'2" dinghy & davits. Beam 13'6".*

*RCD Status: The yacht conforms with the essential safety requirements of Directive 94/25EC (Recreational Craft Directive) and is categorised B*
