Manufacturer Provided Description

The sleek design is only one of the many premium upgrades we've made on this roomy new 260 Sundancer. Typical Sea Ray ergonomics designed throughout make this boat rival any other in its class. We've also added a translucent deck hatch with locks and sky screen cover, plus a transom storage compartment with gas-assisted lid. It's the best boat in its class, with all the extras you would expect from a much larger, more expensive cruiser.
