SPECIFICATIONS

Overview

Call for special boat show pricing! You and all your loved ones are cordially invited to lead double lives aboard the incredible 350 Express. Because the surprising 350 is actually two yachts in one. It's engineered for the swift acceleration and nimble handling of a pulse-quicken performance boat. And yet it provides a number of lavish features and extras you'll only find in much larger yachts. Two exciting lifestyles in one model.

The 350 maximizes all available space. The floor plan includes a spacious queen island berth allowing convenient access from either side. The salon provides for your guests with a convenient dinette and adjoining settee. And the galley provides everything you need for your home away from home.

The cockpit layout of the 350 introduces a new, bigger approach for this category of yacht and can accommodate many guests in style. Featuring a wet bar, refrigerator and ice maker, and optional tables that can be easily converted into a sun lounge with plush cushions. If you prefer a complete enclosure, choose the hardtop option and always maintain comfortable temperatures throughout the year.

DETAILED INFORMATION

Manufacturer Provided Description

You and all your loved ones are cordially invited to lead double lives aboard the incredible 350 Express. Because the surprising 350 is actually two yachts in one. It's engineered for the swift acceleration and nimble handling of a pulse-quickening performance boat. And yet it provides a number of lavish features and extras you'll only find in much larger yachts. Two exciting lifestyles in one model.

The 350 maximizes all available space. The floor plan includes a spacious queen island berth allowing convenient access from either side. The salon provides for your guests with a convenient dinette and adjoining settee. And the galley provides everything you need for your home away from home.

The cockpit layout of the 350 introduces a new, bigger approach for this category of yacht and can accommodate many guests in style. Featuring a wet bar, refrigerator and ice maker, and optional tables that can be easily converted into a sun lounge with plush cushions. If you prefer a complete enclosure, choose the hardtop option and always maintain comfortable temperatures throughout the year.

Features

Cockpit

The cockpit of the 350 is a joyous celebration of the marriage of art and engineering. Beautifully appointed and ingeniously designed to provide the most space and comfort in a yacht of these dimensions. A large, expansive wrap-around lounge pampers your guests with soft, premium vinyls and distinctive color-coordinated French stitching. For all those cloudless days, an aft convertible sunbed folds down effortlessly. A convenient wet bar features solid-surface countertops and a stainless steel pedestal sink. Also included for entertaining guests, a cockpit refrigerator and ice maker.

Helm

Inspired by the ergonomics and fit and finish of the finest automobiles in the world, the helm of the 350 feels made just for your sensibilities. Begin with the stitched leather steering wheel. Add to it a center instrument panel that puts everything right where you need it. And by "everything" we mean everything amazing. A helm of rich wood grains, metallic ornamentation, stainless detailing, and beautiful leather accent panels. With the largest control screen available in this class of yacht. The portside companion lounge is equally impressive, with its ergonomically designed floating headrest and comfortable chaise lounge.

Salon

The salon is flooded with natural light, making the area feel even more spacious than it already is. And with six vertical portholes, you'll always feel connected to the world around you. But for comfort, the interior can also be heated or cooled. The salon also features a dinette table with the appearance of a granite surface, with an accompanying insert.

Galley

The galley countertop has the appearance of a granite surface. Its deep counter space and vertical ports add to the comfort of preparing meals or entertaining. Appliances include microwave, refrigerator/freezer combination unit, and two-burner electric stove. The flat panel 20-inch LCD TV/DVD swivels and can be seen from either the forward stateroom or the salon.

Settee

The U-shaped lounge with table makes a convenient place for eating or lounging and includes a spacious bookshelf and storage. This area converts into a double-sized berth, so your guests will always feel welcome.

Forward Stateroom

The space available in the forward stateroom is comparable to those found in larger yachts. The generous queen-sized island berth has an attractive cushioned headboard for reading or relaxing and allows access from either side. The cabin also includes a privacy curtain and plenty of cabinets and shelves for clothes and storage. A solid bulkhead with door is also available for additional privacy.

Forward Head

The roominess of the head is remarkable in this class of yacht. Featuring a shower and sink, the head's Venetian-style tiled countertop splashguard is tasteful and adds an impressive stateliness.
