Overview

One of the hottest boats in today's market and the only previously owned boat on the market. She is loaded with options including the rare upgraded Cummins 600hp 8.3L common rail diesels, Freedom lift, dinghy, motorized sunroof, teak decking, crew quarters, washer and dryer and custom decor throughout. Her low hours and meticulous care make her an attractive buy for anyone looking at a 48.

Owner has had a change of plans and wants her to be sold.
