Manufacturer Provided Description

The Beneteau 411, designed by the renowned Groupe Finot, exemplifies a true marriage of performance and beauty. With the bulb / fin keel, maximum stability and efficiency on all points of sail are achieved by her low center of gravity. The standard in-mast furling main and roller

furling genoa provide efficiency and true ease of handling. The large cockpit with teak inlay seats is designed for maximum comfort and the pedestal console allows ample space to install electronics. There is also a dual-leaf cockpit table containing a large molded storage area and plenty of space to stow gear in the large cockpit lockers. The extra-wide aft swim platform and ladder, walk-through transom, and standard cockpit shower makes swimming easy and convenient. Both the two- and three-cabin layouts have roomy companionways, large cabins, and plenty of storage throughout, all accented with richly detailed cabinetry. Specially designed for serious cruising, the 411 nav station has a large chart table with additional locker storage underneath, as well as ample space for installing electronics. The deluxe forward owner's stateroom features a generous double berth and an upholstered port settee that is perfect for reading or relaxing. There is also private access to the spacious forward head with sink and shower unit. The galley is beautifully appointed with pressure laminate countertops, double stainless sinks, and loads of storage. The two-compartment refrigerator / freezer has top and side access, and the two-burner propane stove with oven will accommodate every culinary need.

Accommodations

As you enter the salon through the companionway, the interior feel is warm and inviting with the Galley to Starboard and a large wrap around settee with a beautiful teak table which can expand to accommodate 6 guests for dinner. The upholstery is a beautiful blue woven fabric for the cushions. Bookshelves and storage are along the bulkhead forward with closed storage all around the salon. Forward is the Master Stateroom with a double berth to Starboard with storage under the berth and hanging lockers to Port with a bench seat and ample storage for all your personal gear. Aft are two guest staterooms and guest head.
