Hull Configuration: Full Displacement

Hull Color: White

Hull Finish: Aluminum

Engine Information

Engines: 1

Manufacturer: Cummins

Model: 6-CTA-430

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

This Selene 36 is a world class long range cruising yacht condensed into 36 feet. The very same heavy duty construction facets found in very large cruising yachts are evident in this little ship. The vessel offers a large beam that allows for 2 very spacious staterooms with 2 ensuite heads. The interior has the warm and exceptional joinery work one would expect in a large yacht. The salon can be entered through two side deck doors. There is a large L shaped settee in White leather to Starboard and across to Port is a full length galley. Under the settee there is additional storage as well as behind the settee there is deep storage cabinets. There is great natural lighting given through the large salon windows and forward raking helm windows. The side salon windows have matching teak leveler blinds. Throughout the salon are addition storage areas under the Teak and Holly cabin sole and additional cabinets and pantry style drawers. The Guest stateroom is forward with Vee berth accommodations and an en suite head. There are 2 stainless steel port holes and a large Bomar hatch for natural ventilation if desired and a separate digital AC/Heat control panel. Below the berths there are additional drawers and space under the Vee berth along with a large hanging locker on the starboard side of the stateroom. The spacious Master is aft down 4 steps with a centerline Queen berth and separate head and shower. Along the starboard side of the stateroom are 4 drawers with 2 deep lockers below and a area to store books. The same configuration of storage is also on the port side of the stateroom. There are matching built in end tables with a drawer and storage locker below. To the foot of the berth is a large double door hanging locker that is Cedar lined. The Master has a separate head with a molder in oval sink, Coran top, vanity, and Vacu Flush head. To Starboard is the separate shower stall that also has a door that lead to the engine room. Again there is an abundance of natural lighting through the late Bomar hatches.

Galley

The Galley is along the Port side of the salon and has a large Corain counter with molded in border lip. There is a deep dual stainless steel sink with a Grohe faucet. The vessel offers 2 units for refrigeration including a Tundra refrigerator and addition three drawer refrigerator/freezer. The Force 10 has 3 burners and oven fueled by propane. There is an abundance of hanging cabinets above the galley and below with multiple drawers and deep cabinets. Forward of the galley is a cut out for the flat screen TV

Remarks

This very lightly New England used vessel was a Newport and Annapolis show display boat for
Selene. No expense was spared on the vessel and she presents herself in almost brand new
condition. A change in family plans has prompted the sale of this impeccable vessel. Amazing
durability, range and comfort make this vessel feel like a large yacht in a makable size.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or
warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should
instruct his representatives, agents, or his surveyors, to investigate such details as the buyer
desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal
without notice.
