SPECIFICATIONS

Overview

The M/V Islander is a Sea Ray 330 Express Cruiser that has been cared for, serviced and maintained by an owner who is in the marine engine repair and service business. No bolt, fastener or fitting has been over looked during his ownership. This vessel deserves a "TEN" rating for all of her mechanical, electrical and plumbing systems on board. She indeed "Stands Tall", overall her hull, bottom, deck, bulkheads, windshield, transom, swim platform and structural integrity also deserves high marks. She has a V-berth forward that sleeps two and a convertible dinette that converts into a double berth that together sleeps four adults very comfortably. She is the perfect cruising or fishing vessel, she offers plenty of comfort, access, storage and a spacious cockpit with a very large interior. Built on a deep V hull with a solid fiberglass bottom and prop pockets to reduce shaft angle she is a proven off shore vessel weighing in at over 16,000 pounds. She has brand new Eagle long block engines 7.4 MPI Merc's with 150 hours. All new related hardware including a new exhaust system, 5x series 24 batteries, tested and trued shafts, scanned props and new high speed dripless shaft seals. Other items that have been replaced include; raw water intake hoses, water water flush system, new Sunbella canvas through out in 2013, and updated Ray Electronics. Her generator is a Westerbeke with only 186 hours of use.

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 1999

Year Built: 1999

Country: United States

Vessel Top: Radar Arch and Bimini

Dimensions
