SPECIFICATIONS

Overview

Beautifully prepared 25 Mirage from the Windy stable. Goes like a train with her single low hours KAD44 260HP diesel. Hull in lovely condition, very good original Sunbrella, and she shows what great pocket rockets these Mirages are.

Broker's Comments

The WINDY 25 MIRAGE is a sublime piece of design and craftsmanship from Windy Boats AS. The Hans J. Johnsen hull is immensely “chuckable” and has been reviewed as the best handling boat in the world by Motor Boat & Yachting.

She has a true deep-vee hull – which allows her to cut through chop with zest whilst always remaining composed, safe and, above all, fun to drive.

The Mirage cockpit is a simple wrap-round U-shaped seat, beautifully trimmed, with a full teak sole, recessed fridge, sink and two rotating helm seats forward. The dash console is clear of clutter, with all switches to hand and a highly ergonomic driving position. Her cabin is fully lined; has a hanging locker, double berth and a concealed marine w.c. for over-nighting if required.

“MIRABELLE” has been kept locally in the Poole area. She is beautifully presented and exceptionally good for a Mirage of her age – her engine bay is scrupulously clean, her cockpit teak and Sunbrella exterior cushions also. Her owner believes she has only run some 160 hours since new – and the lack of obvious wear indicates this also.

A very good example of this superb pocket sportsboat.
