SPECIFICATIONS

Overview

With increasingly long delivery times at many yards, project NB55 is a unique opportunity for a Buyer to take delivery of a spacious and elegant Andrew Winch designed 81 metre yacht in 2016 - and at a hugely competitive price.

NB55 uses the same efficient hull form and proven engineering package of the previous Proteksan Turquoise yachts such as the 70m TALISMAN C (2011) and the 72.6m VICKY (2012), and although the hull is nearly complete, a potential Buyer still has great flexibility with various optional layouts, specifications and interior styling.

Key features

Key features • Accommodation for up to 16 guests in 8 suites in current configuration (Master, 6 Double/twin, 1 twin guest or staff suite) • Spacious sun deck with Jacuzzi, sun pads, bar and lounging areas • Large tender garage to accommodate 2 tenders (further tender on main deck fwd) • Elevator to all guest decks • Master suite to include study, his and hers bathrooms both with bath and shower and dressing rooms. Private deck area forward with Jacuzzi, sun pads and breakfast area • 2 sets of Quantum Zero Speed stabilisers • Maximum speed of 17 knots and cruising speed of 15 knots • Range of 7000 NM @ 12 knots, 4000 NM at 15.5 knots • Built to ABS Classification, MCA LY2 compliant
