Overview

Owner is Aggressively Looking for all Offers!

"Suds V" is a beautiful bluewater cruising boat that has been priced correctly and whose owner is ready to sell. Enjoyed thoroughly by the same knowledgeable owner since 1997 she represents an excellent value and is ready for the next adventure!

"Suds V" is unique in the sense that the hull, deck, rudder and basic stock interior was built by Hans Christian in Thailand. She was then shipped to the US where all the wiring, plumbing, electronics, a/c, heads, engine, generator, deck hardware, interior finish work and standing/running rigging were completed in Annapolis, MD using the best contractors and suppliers available!
