ХАРАКТЕРИСТИКИ

Обзор

Perfect cruising boat for a day trip, weekend or longer, fitted with two staterooms and two private heads. Powered with Caterpillar diesels and a Kohler generator, you have everything you will need for your next fun time on the water.

Electronics updated two years ago with Raymarine E-120 Navigation and E-80 Chartplotter.

Spacious seating on deck that can accommodate a large group of family or friends, perfect for entertaining. Huge salon and galley with all of the comforts of your home on the water. **Boat Name** Drivin Miss P **Dimensions** LOA: 48 ft 1 in Beam: 13 ft 11 in LWL: 45 ft 6 in Maximum Draft: 3 ft 7 in Dry Weight: 23500 lbs **Engines** Engine 1: Engine Brand: Caterpillar Year Built: 1995 Engine Model: 3126 Engine Type: Inboard Engine/Fuel Type: Diesel Location: Port Engine Hours: 1993 Engine Power: 313 HP Engine 2: Engine Brand: Caterpillar Year Built: 1995 Engine Model: 3126 Engine Type: Inboard Engine/Fuel Type: Diesel Location: Starboard Engine Hours: 1983 Engine Power: 313 HP **Tanks** Fresh Water Tanks: (100 Gallons) Fuel Tanks: (400 Gallons) Holding Tanks: (60 Gallons) **Accommodations** Number of single berths: 1 Number of double berths: 1 Number of heads: 2 **Electronics** CD player TV set Depthsounder Navigation center Log-speedometer Autopilot GPS Radio Cockpit speakers Plotter Compass Radar Wind speed and direction VHF **Inside Equipment** Oven Air conditioning Microwave oven Hot water Electric bilge pump Marine head Refrigerator **Electrical Equipment** Generator Shore power inlet **Outside Equipment/Extras** Cockpit cushions Cockpit table Electric windlass **Covers** Cockpit cover

Walk Through

Superior to most cruisers, the Sea Ray 450 Sundancer is a timeless classic. "Drivin Miss P" has everything you could want in a cruiser featuring the two-stateroom, two full head layout, full canvas and cockpit climate control. As you walk from stern to bow, you will notice the huge wraparound seating area with removable table. To port is a wetbar and an icemaker. Moving to the cockpit is a very comfortable bench seat next to the Captain's chair which can comfortably seat 4 guests at the helm. To port is a companionway that leads down into the roomy salon. The salon features a full galley to port and a full-length couch/dinette to starboard. Looking aft are privacy doors mid-cabin leading to the guest head and stateroom. Forward from the salon is the master head with both a salon entry as well as private entry from the forward stateroom. The master head features a separate stand up shower. The master stateroom is forward and features an island-style pedestal berth, plenty of storage and a nice vanity.

Manufacturer provided description

The Sea Ray 450 Sundancer is custom designed and built for yachtsmen who enjoy serious cruising in unabashed comfort. She has the characteristic accommodations of the Sundancer layout and the long-range performance of twin 313 hp Caterpillar engines. The custom slide - swivel captain's chair has an adjacent Euro-styled companion seat. Standard accessory package includes an oil changer system, telephone inlet with cord, vacuum system, and ACR remote-controlled spotlight. The cockpit provides wonderful space for relaxing, with a spacious circular aft-facing seat, U-shaped seating, and Euro cockpit tables that convert to a sunpad. The aft sunpad turns into a useful chart table. If water toys are a part of the game plan, the 450 Sundancer has plenty of room for storing them. The oversize integral swim platform is large enough to hold a personal watercraft, while the aft wall fender storage neatly organizes docking equipment. The standard Lofrans Progress I rope - chain windlass makes anchoring easy. Four lockable translucent deck hatches with screen covers, sliding windows and ten opening port lights provide natural light and fresh air throughout the cabin on mild days. Other days, you may opt to run the central heating or air conditioning. Belowdecks deep-pile marine carpet lines a spacious interior. In the salon, a sleeper sofa, hi-lo dining table, and entertainment center provide respite from the activity topsides. Amidships, the Sundancer berth functions as a conversation area by day and, by night, sleeping quarters for two in the double berth. There's also a cedar-lined hanging locker, vanity with drawers, and space for a TV - VCR - radio. The midships guest head has a VacuFlush toilet, vanity with sink, and fiberglass shower stall with curtain. The private master stateroom has a full-size bed with storage underneath, three cedar-lined hanging lockers with mirrored doors, vanity, pocket privacy door, and an entertainment center with TV - VCR - radio combination. The master head features a VacuFlush toilet, vanity with sink and mirrored medicine cabinet, and fiberglass shower stall with circular acrylic door. It's accessible from the salon or master stateroom. Faux-granite countertops highlight the full galley, with refrigerator - freezer, three-burner electric stove, and microwave. The galley convenience package includes a coffeemaker and blender.
