## Overview

---

The Sunseeker 37 Sportfisher is a stylish boat that is practical for fishing, diving or island hopping. Designed with performance and handling firmly in mind, she sports a revolutionary twin-stepped hull to ensure highly efficient handling with minimal drag and greatly reduced spray.

Powered by inboard Twin Volvo Penta 260 hp diesel engines she has a max speed of 28 knots and cruises economically at 24 knots, providing a cruising burn off 60 liters per hour.

Externally this boat offers applications for the whole family with the aft cockpit suitable for fishing or diving and a large centre console helm station for the helmsman. A lounge area forward of the helm has a teak folding table and can seat up to six passengers in complete shelter under the hardtop and forward windscreen. Also included is a large top-loading ice chest, a tackle and bait station with sink and live bait well behind the helm, numerous rod holders in the gunwales and transom, a hot/cold transom shower and fish boxes under the cockpit floor.
