Engine Type: I/O

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Introduction

This boat needs to go NOW! Drastic price reductions - pick your new electronics. Regal put a lot of thought into this model. They delivered on quality, comfort and price.. The profile is very pleasing and it has an 11' 2" beam which allows for plenty of room on the helm deck and below. The cockpit has fold away seating and a nice flow to the helm deck. There you have even more seating and a great view from the helm. Below you will find the high gloss cherry woodwork gives you a very rich look. Coupled with the ultraleather upholstery, Corian countertops, teak and holly flooring ties it all together for a very stunning boat. The forward berth is fully enclosed and has plenty of storage for a nice vacation away. This boat has very low hours on her Volvo 420hp motors.
