Call for Price!

The Back Cove 34 is a cruising yacht with the same simple features, usability and maintenance which has helped build the popularity of the Back Cove brand. With input from many current boat owners, they have created a yacht which offers tremendous value, great style and modern practicality.

Below deck is a large and comfortable island berth and a convertible L-settee which can be isolated from the cabin with a curtain. To starboard there is a large head with separate stall shower. On the helm deck, a full galley stretches out aft of the helm seat and to port is a dinette where four adults can sit to enjoy a meal. The Back Cove 34 has two drawer refrigerators installed under the helm seats. The inlaid table is a fine example of the Maine boat builder's craftsmanship and tradition, evident throughout the Back Cove 34.

Forward of the dinette, a double mate's seat is a comfortable perch for the navigator. The helm deck is airy and bright with overhead hatches, opening side windows and a center opening windshield. A Stidd helm chair provides comfort for the helmsman underway.

In her cockpit a large, L-shaped bench seat and a fold-away aft facing seat allow comfortable lounging while underway or when anchored in a peaceful cove. Engine access is extraordinary, as the helm deck, including the port side dinette, lifts hydraulically to expose the yacht's mechanical systems below.

With her island berth and tank capacity, the Back Cove 34 makes a perfect cruiser for a couple or small family. Small enough to handle easily for day outings and big enough for an extended cruise.
