SPECIFICATIONS

Overview

This Monte Carlo 32 looks beautiful parked in front of the owner's home in Sentosa Cove. Now it can look beautiful docked in front of your home. Built with the revolutionary 'Air Step' design, it rides on a cushion of air, which improves fuel efficiency, increases top speed and provides a more comfortable ride. It sleeps four in uncompromising 'sport luxury'. Like a Ferrari, but more comfortable and spacious. It has a full kitchen area, full bath, and is nicely outfitted with Air Con, Raymarine navigation gear and more. Treat yourself and your family to first class boating, for day trips to the islands or just cruising the shorelines, showing your friends a view of the city skyline from an angle they've never seen before. The seller has maintained this boat in very good condition, including regular servicing of the mechanical systems. Maintenance records are of course available for review.
