SPECIFICATIONS

Overview

In addition to the much preferred upgrade of CAT 715 hp engines, this boat has NEVER been out of warranty! There is NO deferred maintenance or service here and the Platinum warranty continues until February 2016!

This boat is also the cleanest, best maintained I have seen in many years. She has spent her life as a gentleman's day fishing boat, not a tournament battlewagon, although she is certainly equipped for it. Cared for by someone who understands what it takes and can afford to keep a yacht in Bristol condition. If you would have been a knowledgeable enough buyer to invest in these upgraded features buying her new, here is your opportunity. **CAT Extended Warranty January 28,2016 Engine Room, Gelcoat, Canvas, Isinglassflawless. This boat originally sold for low \$600's, then add the C-12 engine option. Add a \$45K tower and riggers, complete redundant electronics, Tiara Tournament Package, Integrated Teaser Reels, Icemaker, Bait Freezer, rocket launcher pedestal. And maintain in as new condition. This boat and power package is a 'sweet spot' boat (if you know what that term means) and I'll put her up against a Viking, Bertram, Cabo, Luhrs or Hatteras any day. ** Many high-res, detail photos to convey the condition of this boat available on request.

DETAILED INFORMATION

Vessel Highlights

Aren't all these listings Tiara 42's? NO! This is a CAT C-12 715hp Tiara 42. If you have never had the opportunity to run this boat with the CAT C-12 engine upgrade (715 hp ea. Vs. 535 to 660hp for the Cummins QSM11 series) you can't imagine the difference! This boat is a rocket! But the difference is not just top end speed. With these engines she operates at cruise speeds in a completely different range on the power curve. Translation: she has more torque power when you need it and isn't working as hard to provide it. Higher top end plus more power to push through the seas. The Cummins engine Tiara is a great boat. The CAT boat is Amazing!

This boat is also the cleanest, best maintained I have seen in many years. She has spent her life as a gentleman's day fishing boat, not a tournament battlewagon, although she is certainly equipped for it. Cared for by someone who understands what it takes and can afford to keep a yacht in Bristol condition. If you would have been a knowledgeable enough buyer to invest in these upgraded features buying her new, here is your opportunity. **CAT Extended Warranty January 28, 2016.

Salon

This is the single stateroom layout. (A-layout) This means a very large saloon and galley for a boat this size. The galley is a true “2 butts wide” and the Settee and expanding high-low table gives the room for everyone to relax together.

Teak and Holly sole

Leather Sofa to port with expandable Teak and Holly High-Low dinette table

20” Sharp Flatscreen

Central Vacuum

Large, Cedar Lined Storage/Fishing Rod Locker

Cruisair 16,000 BTU Air Conditioning with Diverter to Bridge/Helm Deck

Lots of storage

Galley to Starboard

The stateroom is private and separate with an overhead hatch to draw in the breeze at anchor and a grown-up’s head and shower. There is plenty of storage for that trip over to the Bahamas.

Queen Pedestal with Storage below and gas assist lifting shocks

Cedar Lined hanging lockers

6,000 BTU Cruisair with controls

Flatscreen 15" TV w/remote

Stereo System

Drawer and Cabinet Storage

Master Stateroom

Cockpit

The cockpit is all business with large bait wells, a giant, removable fish box, in deck storage for cast nets and a prep station consisting of a large bait freezer/chiller, large sink and cutting board station, tackle drawers and a wash down.

The bulwarks are high and wide with padded bolsters and aft is a large tuna door. Rod holders in the Cover board decks. Overhead are spreader lights and racks of rocket launchers. Double spreader riggers can be easily handled for more complex spreads. There is a well under the rocket launchers for Ready Live Pitch-Baits. There are fresh and raw water wash downs and oversized scuppers. Fish box is also removable for thorough cleaning. On each side there are large rod stowage lockers to keep tackle at hand but not underfoot.

Foredeck

The side-decks are wide and easily managed. On the foredeck is a stainless bow rail for safety and a large anchor rode locker with a Maxwell Windlass with foot controls on the deck and remote controls at the helm. Fresh and Raw water wash down for the anchor. *** Note in the photos, this boat is so clean the anchor locker reflects the line like a mirror!*

Engine Room

CAT C-12 @ 715hp ea. ****Under Extended Warranty Jan 28, 2016**

Walker Air Seps

1,000 Racors

Fireboy system

8Kw Kohler Generator w/ sound shield and remote panel

Oil Changer

Access is excellent with a day hatch for checks from the bridge deck and a true, adult size door from the cockpit. Once inside, access is excellent and the equipment is spotless.

Salesman's Comments

I have many High-Resolution detailed images for interested parties in an attempt to convey the condition of this vessel. I'd be glad to send them to you. If you look at the very few of this model with the CAT C-12 package, it is also a real value. It will be my pleasure to show her to you!
