DETAILED INFORMATION

Accommodations

Vessel Walkthrough The spacious cockpit is designed to be equally comfortable for two, or for ten. A large, retractable cabriolet roof allows you to enjoy the outdoors, or to close the roof with the touch of a button. Teak decks, upgraded custom seating, premium Bose sound, and a wet bar with sink, refrigerator and BBQ are all features on the Neptunus 55 Cabrio. With this two cabin layout we find a full beam Master aft with its ensuite head/shower. Forward we find the spacious VIP Stateroom with adjoining head/shower. Center to Port we find a well appointed Galley and to starboard a lower salon area with custom seating for entertainment.

Hull Hull, decks and further structures are constructed from fiberglass reinforced polyester. Longitudinal and cross stringers reinforce the entire hull. All partitions and reinforcements are constructed of plywood or foam and are laminated to the hull on both sides. The engine stringers run from stern to bow with steel top plates for engine mounting. The deep Vee hull has been designed to ensure a vessel with excellent sea faring qualities and dry ride. Special attention has been given to a good ratio between installed power, speed and fuel consumption.

Galley Downstairs to Port we find a full galley with fridge/ freezer, Double stainless steel sink with insta hot water. A microwave/ convection Oven and a 4 burner, electric stove. Custom cabinet and storage space throughout.

Salon Leatherette salon settee sits 6 comfortably, and has custom high-low cherry high gloss table top that drops to accommodate one or more to sleep. Custom etched glass with back lighting, Bose "Life style" 48 surround sound home theater and 42" Flatscreen TV.

Master Stateroom The vessel has a two cabin layout with a large full beam master, symmetric drawer storage and hanging lockers for his and hers storage on port and starboard. A private adjoining head/shower compliments the master.
