SPECIFICATIONS

Overview

(LOCATION: New Port Richey FL) The Albin 27 Family Cruiser is a compact aft cabin cruiser that is at home fishing or cruising. A full-length keel provides sure-footed tracking while the two and a half foot draft allows thin water access.

On deck we start up front with a bow pulpit with retractable roller and Danforth anchor. Stainless steel bow rail and teak handrails allow safe movement forward. Aft of the raised cabin is a semi-enclosed helm with hard top, opening center windshield, and sliding side windows. The starboard helm with moveable captain's chair provides all-weather operation. The center cockpit can be open for fishing with room to maneuver or enclosed with a blue bimini top with full camper canvas. Cushioned seating to either side provides a place for enjoyable cruising. A teak swim platform adorns the stern.

The forward cabin is well laid out and ready to cruiser. As you come below you will find a full galley along the port side. White cabinets with wood trim contain a freestanding electric ice box, stainless steel sink, two-burner alcohol stove, and storage. Forward is a v-berth. To starboard is a convertible dinette that seats four and sleeps two. The enclosed head has vanity and shower. The separate aft cabin is accessed from the cockpit and has twin berths with filler cushions.

Bunny Hop is powered by a 81-hp Nissan diesel engine designed for long-lasting, economical, and dependable performance. Compact size and unique versatility makes the Albin 27 an excellent family cruiser with outstanding fishing capabilities Call now for more information and to schedule a showing of this special Albin.
