## Overview

### *Outrivaling anything in its category*

Of the various members of the Riva family, this is the yacht whose character, as indeed its name suggests, is both strong and gritty. It is not only a matter of name, however. Indeed, Rivale's unique, sharp line has a smart, welcoming heart, created from refined wood and quality textiles. The interior design is based on a harmonious blend of elegance and sobriety, and cleverly set out living areas. This 52 footer features large cabins, a comfortable dining-area and a cockpit which satisfies all demands for outdoor living, as well as one of the largest garages (which stores a 3.2 metre tender) in this category, making her with a strong personality. The size of this unrivalled yacht has been chosen by owners wishing to man and enjoy their craft firsthand (if this is the case, the crew cabin can be used as a guest cabin) and enjoy life at sea in comfort indeed, but also total privacy, counting on reliability and simplicity of use. Rivale carries the philosophy of Riva yachts: personality, style, elegance and constant innovation.
