# DETAILED INFORMATION

---

## Broker's Comments

---

One of the highest spec and freshest of the desirable Swan 82 RS models. EXCALIBUR has just had a huge refit at New England Boatworks which included new blue hull paint, new carbon mast, new standing rigging, all new nav., sailing and communication electronics, new stern thruster, new generator, exterior canvas and much, much more.

EXCALIBUR was originally launched in the summer of 2003 as MOONDANCE and was built for a 2 time US Swan owner, who spared no expense in time or money in making the boat extremely special. She has different, prettier windows than her earlier sisterships and detail touches throughout. The original option list was 41 pages long!

She sold in 2007 to her second owner, also from the US, and was shipped from the Med to the Caribbean and sailed to the US North East. Since 2010 she has since been based in the North East, and lightly used. The engine only has 3700 hrs.

Never chartered.

EXCALIBUR is probably the highest spec, best shape and most up to date of all the 82's currently available.

She is stunning and sensibly priced.

## 2013/14 Refit

---

Excalibur underwent a comprehensive refit starting in September 2013 and completing in June

2014, with substantial new equipment which was partly upgrading, partly as a result of a lighting strike in 2012 and partly service work.

- Max power 315.4 retractable hydraulic bowthruster.
- Side Power retractable electric stern thruster (2014).

#### *Other Mechanical:*

- Reverso oil change pump to engine and generators.
- Fuel filter alarm.
- Low pressure priming pump on engine and generators.
- Sea Recovery oil/water separator.

---

## Electrical Systems

---

### *Battery Banks:*

- Gel service batteries 1200 Ah 24v (2009).
- Radio bank gel batteries 240Ah 24v.
- 2 x 12v Generator batteries (2014).
- 24v Engine start batteries (2014).
- 24v Stern thruster battery bank (2014).

### *Battery Chargers:*

- Separate Battery chargers for house, radio, generator and thruster banks.
- 3 x Service bank chargers.
- 1 x Radio bank charger.
- 1 x Start charger.
- Back up battery charger 24/75A 230v.

### *Generator:*

- Northern lights 16Kva 220v generator with soundshield and PTO (new 2014).
- Northern lights 5Kw day generator with soundshield.
- Reverso oil change pump to engine and generators.
- Low pressure priming pump on engine and generators.

### *Shore Power:*

- Shore power converter system ASEA 12Kva 180-520v 50/60Hz in, 230v 50Hz out.

### *Other Electrical:*

- Inverter mass sine wave 115v 5000 watt – Mastervolt.

---

## Plumbing Systems

---

### *Fresh Water & Water Heating System:*

- Quooker hot waterboiler.
- Carbon filter for galley water.
- City water connection.
- Twin water pressure pumps in parallel.

### *Watermaker:*

- Sea Recovery watermaker 1500 gall/day.
- Commercial prefilter for watermaker.
- Auto flush, UV steriliser for watermaker.

### *Bilge Pumps:*

- Engine emergency bilge pump.
- 4 x Bilge water alarms, in engine room and lazarette.
- 3 x Electric bilge pumps in aft garage/lazarette.
- Electric bilge pump in forward sail locker.
- 2 x Electric bilge pumps in engine room.

---

## Tankage

---

### *Fuel:*

- Total capacity of 2,020 litres.

### *Fresh water:*

- Total capacity of 1,000 litres.

*Grey/Blackwater holding tanks:*

- Stainless steel holding tanks for heads, pumps serviced in 2014.
- Grey water holding tank.

## **Navigation Equipment (Mostly New 2014)**

---

- B&G H3000 Hercules sailing instruments with 4 20/20's on mast (not new).

---

## Accommodation

---

*Description of layout from forwards:**Crew Cabin:*

Accessed via the galley, the crew quarters has two bunk beds, a settee (can be a third berth), a fold out table and crew head/shower.

Ladder access to the deck, via the forehatch, ensures privacy for the owner's party, if they're entertaining inside.

*Galley:*

To starboard, forward is the longitudinal galley with food prep surfaces both inboard and outboard.

*Forward Guest (or Captain's) Cabin:*

This cabin has a raised double berth with the Miele washer (not operational) and dryer units below. En-suite head, fresh water WC and shower. Paper chart storage on centerline bulkhead.

*Main Saloon:*

Rising 3 steps from the aft passageway is the spacious and airy main saloon, located in the raised deck house. Aft to starboard is the nav. table with custom leather seat. Forward of this is an L shaped settee, and to port is the table with U shaped settee. Two Nautor teak chairs complete the dining table set. Compass rose inlay in the table. Electric Oceanair blinds for all

saloon windows.

#### *Day Head:*

Forward of the media cabin is the day head with Tecma fresh water WC and hand held shower. There is a wet locker for storing and drying foul weather gear.

#### *Twin Bed Cabin:*

To port of the passageway is a twin bed cabin with ensuite head/shower. A night stand separates the two beds. Tecma fresh water WC.

#### *Guest/Media Cabin:*

To starboard of the passageway aft is a dual purpose cabin with built in rack media equipment, including DVD, CD players, LCD TV, and a couch that converts to a single bed. Above is a fold down Pullman bed, hidden from view when stowed.

#### *Owner's Head:*

Tecma Silence Plus fresh water head, vanity sink, stall shower and towel rails.

#### *Owner's Cabin:*

Large full width owner's cabin with a centerline queen bed. Sprung mattress with flex battens under. Bedside tables, reading lamps, twin hanging lockers and ample storage.

## **Deck Equipment**

---

#### *Rig:*

- New Offshore spars carbon mast with 4-spreaders, swept back (2014).
- Park Avenue boom.
- Reckmann hydraulic furler with carbon extrusion (rebuilt in 2013).
- New standing rigging (2014).

- Hydraulic mast jack.
- B&G load sensor on headstay (2014).
- Navtec boomvang and backstay (vang rebuilt, new seals 2014)
- Two Navtec 3 function control panels.

#### *Winches:*

- Captive reel winch single part spectra mainsheet, controls at helm.
- Hydraulic 3-speed halyard winches.
- Hydraulic 3-speed genoa winches.
- Hydraulic 3-speed runner/spinnaker winches.

#### *Sails:*

- New Carbon Spectra North Mainsail and Jib (June 2015).
- 2006 North carbon 3DL main.
- 2006 North 3DL carbon 105%.
- Asymmetric gennaker (2).
- Code zero.
- Staysail.
- Delivery main.
- Delivery headsail.

#### *General:*

- Sail locker forward.
- Entertaining cockpit, aft of deck saloon.
- Two fold out cockpit tables.
- Huge aft lazarette.

- Hydraulic swim platform/lazarette entry.
- Deck cooler with matching cushion.
- Carbon fibre Multiplex gangway.
- Dive compressor.
- Lifeline gates.
- Stern steps.
- Trailer.
- Wall safe.

#### *Anchoring & Mooring Equipment:*

- Anchor locker with fold out anchor arm.
- CQR 105 pound anchor.
- 100 12mm chain or 330 feet.
- Fortress x 85 anchor.
- 6 x Inflatable fenders with covers (2014).
- Docklines.

#### *Covers, Canvas & Cushions:*

- New cockpit upholstery (blue/white Sunbrella) (2014).
- New dodger (tan).
- Bimini (tan) (2010; in great shape).
- Pedestal covers, tan Sunbrella (2014).
- Wheel covers, tan Sunbrella (2014).
- Mainsail cover, tan Sunbrella.
