# SPECIFICATIONS

## Overview

Extensively refitted in 2009, navigation equipment, sails and kept up to date the following years. Ballistic is a true blue water sailing yacht. Ballistic combines sleek lines, comfort, speed, easy handling with a very strong hull of Kevlar over balsa sandwich. Ballistic has crossed the Atlantic several times, last time sailed only by the owners couple. Due to her set-up with electric winches (overhauled 2013) and electric/hydraulic mainsail (overhauled 2006 / 2013), she can be (and frequently has been) sailed single-handed. Ballistic is able to anchor or dock at locations not accessible for yacht of similar size with her hydraulic centerboard keel (1,85m. – 3,50m.). Ballistic provides a very safe platform on rough seas and in heavy weather.

## Basic Information

**Category:** Cruising Sailboat

**Sub Category:** Cruising/Racing Sailboat

**Model Year:** 1985

**Year Built:** 1986

**Refit Year:** 2009

**Refit Type:** Hull, rigging, winches, navigation equipment
